

**"Ask More, that We May Serve Better"**

Winnetka Community House has become inadequate to meet the increasing demands of village activities. Every resident will be afforded an opportunity to contribute in the forthcoming canvass for \$95,000, which is to provide for an enlarged community center. Sunday, May 21, is Canvass Day.

**NORTH AVENUE TO HAVE BEAUTIFUL NEW HOMES**

Attractive residences entailing expenditure extending into five figures featured the building permits issued this week at the offices of the Winnetka Department of Public Works. Among these were: a \$15,000 frame residence for Otto A. Randolph at 1440 North avenue; \$15,000 residence for George Quinn, at 1480 North avenue; \$12,000 residence for Dewitt S. Stillman, at 384 Elder lane; \$16,000 residence for Benjamin S. Pfeiffer, at 1500 North avenue; \$15,000 residence for Arthur S. Lytton, at 1450 North avenue; \$20,000 residence for William Aitken, at 360 Elder lane; \$11,500 residence for George Burroughs, at 216 Myrtle street.

Other permits issued were as follows: \$8,000 residence for A. S. Foreman, at 1357 Scott avenue; \$7,300 residence for W. R. Thomas, at 1361 Scott avenue; \$350 garage for A. W. Foreman, at 1357 Scott avenue; \$350 garage for W. R. Thomas, at 1361 Scott avenue; \$400 garage for G. R. Work, at 525 Ash street; \$500 garage for George Burroughs, at 216 Myrtle street; \$175 garage for DeWitt S. Stillman at 384 Elder lane; \$400 garage for Arthur S. Lytton and George Quinn, at 1450 North avenue.

**SPRING PAGEANT TO BE AT SKOKIE SCHOOL**

The annual Spring Pageant of the Winnetka Public schools will be given this year during graduation week at the new Skokie school where the graduation exercises will also be held.

Plans are being made for the annual launching of the boats made in the school shops to take place early in June at the Municipal bathing beach under auspices of the Skokie Yacht club, an organization within the Shopwork department of the schools. The boys are working diligently to get the new shops at the Skokie school in smooth running order so that the work on the "fleet" may be completed without undue delay.

**Sunday, May 21, Day of Community House Drive**

(Continued from page 1)

the motion picture program of the village so that pictures could be shown two or three nights a week, as the demand increases

It is not the intention of the Governors to compete with other auditoriums now built, or to be built in future, of larger capacity. The first intention was to provide for 400 seats only and this was increased to 600, only at the urgent representation of a number of the groups planning to use this building. It is felt that a hall of this size will find very frequent use for purposes for which a larger hall would not be suitable.

Mr. Davies has already scheduled over 200 tentative engagements per year for this building, as a minimum. The following list of activities would find a place in this assembly hall:

Motion pictures, Community Drama club, North Shore Players, North Shore Theatre Guild, Choir entertainments, Scout entertainments, Camp Fire Girls entertainments, North Shore British-American club, Annual Circle entertainment, National Week of Song, Musicians' Club of Winnetka, Scandinavian Pleasure club, Christmas party, Political meetings, Sunday Evening meetings, Halloween entertainment (show), Lecture courses, Children's Sermon period (Sunday).

**Enlargement Long Deferred**

In making the appeal for new funds for building purposes at this time, the Board of Governors feels keenly the fact that the Village has had placed before it numerous appeals for worthy causes, and would have preferred to choose another occasion to make this new request. The fact is, however, that Community House has been operating to somewhat more than capacity for several years past. During the war period and the ones which followed, Community House has stood aside and allowed other projects, which seemed more imperative, to have the right of way. The reason for not deferring the campaign any longer is that the urgency for additional quarters has grown so great that the Governors feel that work must be begun this summer on the addition, so that the increased facilities may be available by the first of October when the active season at the House begins.

**Campaign Dinner May 15**

Community House will be the host to a large group of its friends on the evening of May 15 when the needs of the situation will be presented, and an opportunity given for inspecting the House and its equipment. A special program will be put on to show what has been done in the past eleven years, and the possibilities of further development with the increased plant.

**STUDENTS IN NUMBERS ENTER HADLEY SCHOOL**

In our quest for news it is our habit to call occasionally at the offices of The Hadley Correspondence School for the Blind, to learn how their work is progressing.

On April 1 an article concerning the school appeared in the Matilda Ziegler Magazine for the Blind, which is published in New York City, and has a wide circulation among the blind. This article has been the means of bringing in more than 125 applications for courses. Some of the applicants have asked for one or two courses, others for all the courses offered. Pupils are distributed over thirty-eight states, and in Canada and China. On May 1 their numbers had reached 214.

Each day brings increasing evidence of the necessity of the work which the school is undertaking, as well as expressions of gratitude from those who are enrolled for courses, for the opportunity which has been afforded them.

**Nine Pinched for Speed; One Nailed for Tardiness**

Winnetka Speeders' court ground not so slowly, albeit exceeding fine this week when ten traffic violators were haled before the police magistrate at the behest of our demon motor-cops. All were hasty, save one, who got caught with a 1921 license plate.

Here is the list: Malcolm MacKing, Evanston; Frederick Dugane, Chicago; Willis Clavey, Glencoe; Elmer Orth, Chicago; William Parsons, Evanston; Harry Huebetsye, Adell, Wisconsin; Willoughby Walling, Hubbard Woods; Herbert Ehler, Chicago; William Edwards, Lake Forest; Ben Sunerski, Lake Forest.

Fines aggregated \$91. All the fines were for speeding along Sheridan road, except in the cases of William Edwards, arrested for operating a truck on a boulevard, and Willis Clavey taken to task for operating a car that displayed a 1921 license plate.
