

HINTS TO IMPROVE THE MAIL SERVICE

Postmaster Gives Some Advice For Postal Week

The feature of Postal Improvement Week, May 1 to 7, is to secure a better co-operation between the patrons and the local post office.

What is meant by this co-operation is best enumerated as follows:

1. It is suggested that heavy mailers mail early and often instead of holding their mail until 4 or 5 o'clock in the evening. By mailing early and often serious congestion is avoided and, obviously, the service at the post office is improved.

2. Patrons can assist in the expeditious handling of mail by correctly addressing their mail, as to street, number, city and state, and putting the return address in the upper left hand corner. The Wilmette office receives from 200 to 300 improperly addressed letters daily which requires the attention of a clerk for three hours to give directory service, and correct the addresses. Seventy-five per cent of this work could be eliminated if patrons would exercise care when addressing their mail.

3. Parcel post packages should be wrapped in heavy paper and securely tied with strong cord. Fragile articles easily broken must be packed in excelsior, sawdust or other cushioning material to prevent damage. Liquids when in glass bottles must be packed in sawdust, cotton or other absorbent material to prevent the contents destroying mail matter in the event of breakage. All parcel post matter should be addressed just as would be a letter, containing the NAME and ADDRESS of the sender in the upper left hand corner. All addresses should be confined to one side of the parcel. The sender should place his name and address on a card and enclose it in the parcel.

Thanks Fire Department For Efficient Services

Winnetka's Fire department did some efficient fire fighting last Friday at the Ernest White residence, 391 Hawthorne lane. The prompt response to the fire alarm and the efficient manner in which the department extinguished a blaze which for a time threatened destruction of the home leads Mrs. White to express her appreciation in the following words:

"We desire to publicly thank the Winnetka Fire department for the promptness of its response to the summons and the efficient work in extinguishing the fire at 391 Hawthorne lane last Friday. The excellent work of the department no doubt saved the residence from destruction."

Camp Card Party Proves Big Success; Nets \$425

The committee in charge of the Camp Card party, Mrs. Arthur M. Barrett chairman, which was given at the Winnetka Woman's club April 26, desires to announce that, though the returns are not quite all in as yet, the proceeds will be about \$425.

This is most gratifying, and the committee is highly appreciative of the splendid support which was given by the many friends who came to play cards and to listen to the delightful program so generously rendered by Mrs. Laird Bell, Mrs. Asa Cooley and Mrs. Clifford Ewart.

VISUAL EDUCATION LECTURE

Dr. R. P. Shepherd, of the Society for Visual Education, gave an illustrated Motion Picture lecture at Winnetka Community House Wednesday evening of this week. The lecture showed the community plans and educational work of that society which is national in scope.
