

# 1922 GARDNER CAR HAS NEW GUARANTEE

## Lexington Chicago Company Announces Warranty Policy

"A car backed by a bona fide guarantee that says something and means what it says", might be considered the latest slogan of the Lexington Chicago company in presenting to the public the merits of the Gardner car, more commonly known as the New 1922 Gardner.

The guarantee referred to in the above, the company declares, is backed by more than forty years' successful manufacturing experience and a present financial position of over a half million dollars cash in bank and no debts.

The north shore branch of the Lexington Chicago company is located at 1008 Davis street, Evanston, and the used car department is located at 1464 Sherman avenue in that city.

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.

## SENTIMENT

*A dollar never becomes sentimental—but it gives good service to the thrifty.*

A DOLLAR never becomes sentimental. It says "good bye" as smilingly as it says "hello." The thrifty man imprisons his dollars in a savings bank and keeps on adding to the balance. They earn a good rate of interest for him and when he is ready to make a real investment he is certain we can give him real disinterested advice.
