below on same is good for twelve months from date

We warrant each new Gardner Motor Car manufactured by us to be free from defects in material and workmanship under normal use and service, our obligation under this Warranty being limited to making good at our factory any part or parts thereof which shall, within twelve months after delivery of such motor car to the original purchaser, be returned to us with transportation charges prepaid, and which our examination shall disclose to our satisfaction to have been thus defective; this Warranty being expressly in lieu of all other warranties, expressed or implied, and of all other obligations or liabilities on our part, and we neither assume nor authorize any other person to assume for us any other liability in connection with the sale of our motor cars.

This Warranty shall not apply to any Gardner Motor Cars that shall have been repaired or altered outside of our factory in any way so as, in our judgment, to affect their stability or reliability, nor which have been subject to misuse, negligence or accident.

Paint being subject to so many conditions beyond the control of any human agency, it is expressly understood that this Warranty in no manner whatsoever applies to paint.
