

**FORMER WINNETKA MAN
KILLED BY FAST TRAIN**

Joseph Brunner, a former resident of Winnetka, formerly of Lake Forest, died at the Municipal hospital in Waukesha, Wis., last Saturday morning. Death was due to injuries sustained when the truck he was driving was struck by a train on the Chicago, Milwaukee and St. Paul railroad the previous day. He was the son of Mr. and Mrs. Chris. Brunner, of Lake Forest.

Brunner was operating the machine for the state highway commission, and was hauling road material near Duplainville. At 11:15 o'clock Friday morning his machine was struck by a train at the Duplainville crossing. He was injured internally and also about the head. The train crew administered first aid, and the injured man was taken to the hospital.

Besides his wife and parents, there survive two brothers and five sisters: Chris. Brunner, jr., Lake Forest; W. C. Brunner, Chicago; Miss Frances Brunner, Muncie, Ind.; Mrs. John Grimmer, Waukesha; Mrs. C. Formann, Ft. Worth, Tex.; Mrs. Agnes Theriault, St. Louis, Mo., and Mrs. R. F. McQueen, Detroit.

Funeral services were held Monday morning at eight o'clock at St. Joseph's church, Waukesha. Burial was at St. Joseph's cemetery in that city.

**WINNETKA LOSES IN
INITIAL BALL GAME**

Winnetka dropped its first game of the North Shore Baseball league season to Glencoe last Sunday, being forced to submit to a whitewash application, 6 to 0.

Neither team was able to score until the seventh inning, with both hurlers getting airtight support. In the seventh frame Glencoe annexed one tally, and came back with five markers in the disastrous eighth.

Schultz, Glencoe hurler, pitched an exceptionally fine game, while Luchessi, for Winnetka, was equally effective until he weakened in the eighth.

Winnetka will meet Wheeling at the Playfield diamond this Sunday. It is probable Winnetka will play in Wilmette on Decoration Day, with the possibility that the locals will hook up in the morning with an aggregation of Winnetka ex-college stars.

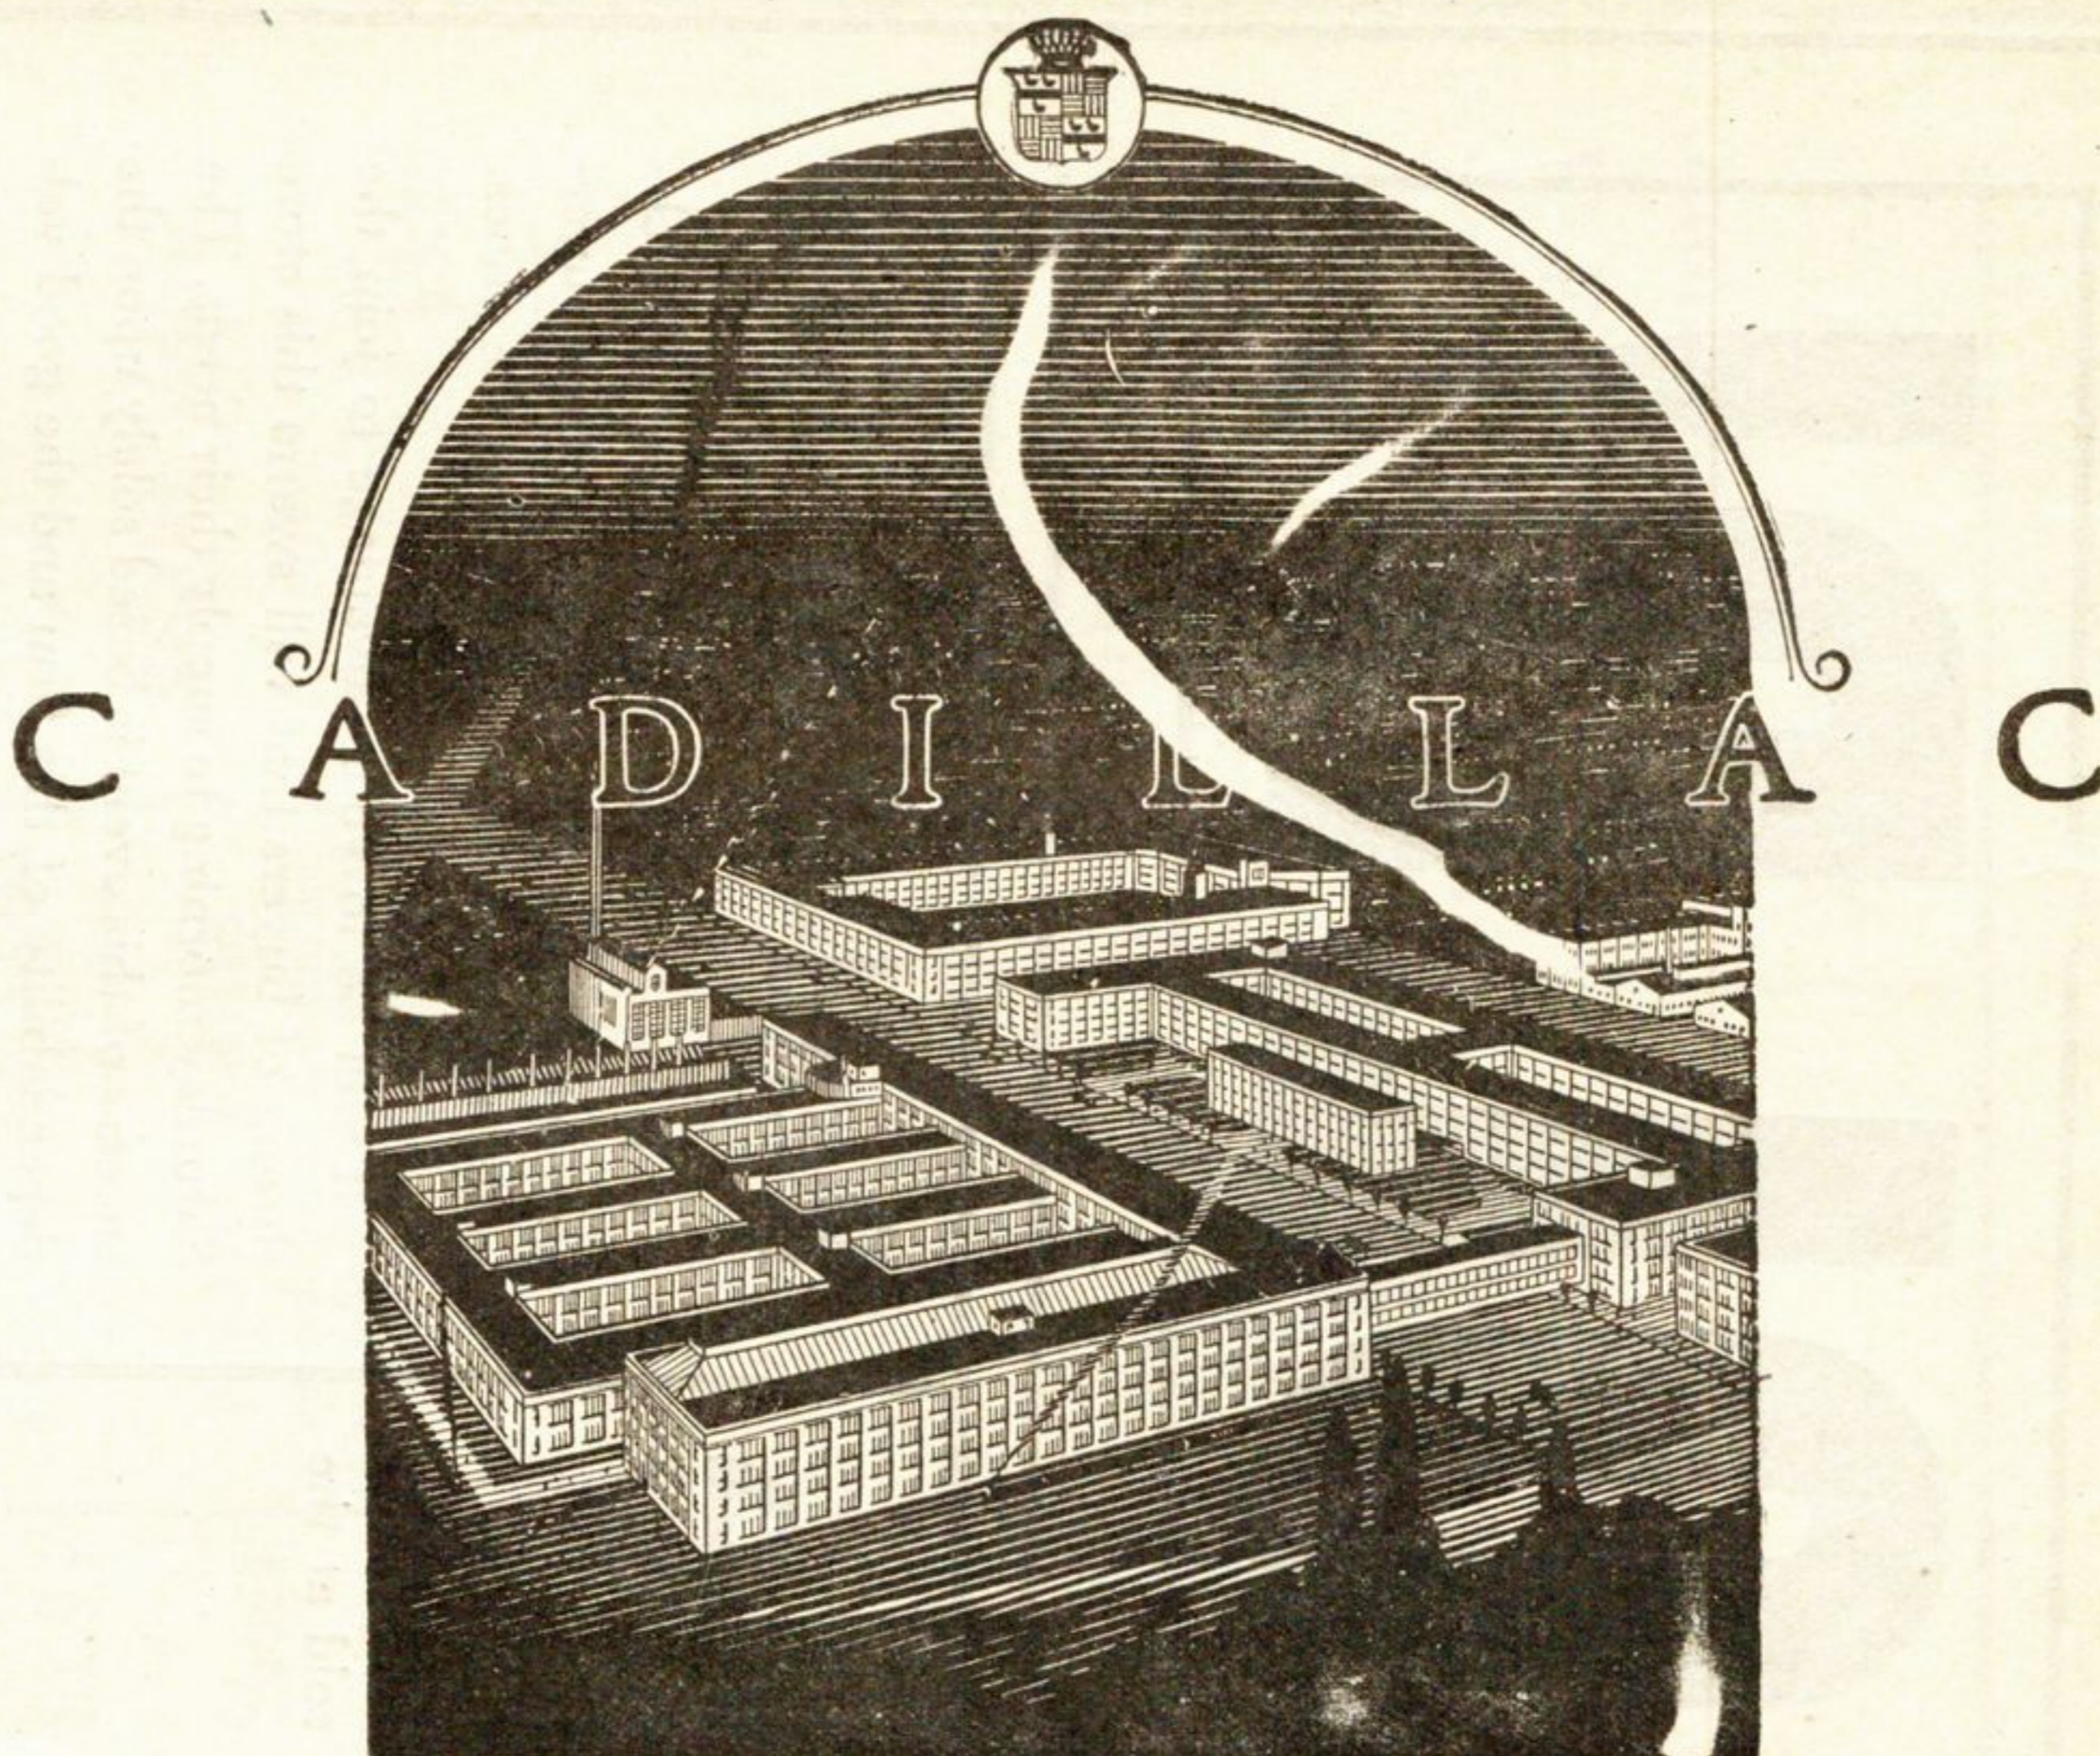

**Sidney M. Spiegel Reads
Over Radio-Phone May 31**

Sidney M. Spiegel, Jr., of Winnetka, has been secured by Norman Eastman, director of the K. Y. W. Radio station, Chicago, to read over the Radio-Phone Wednesday, May 31, in connection with the regular daily program.

Mr. Spiegel will give a Memorial Day selection and a comedy reading of "The Legend of St. Valentine's."

He appears through the courtesy of the North Shore Players and the Jessie Royce Landis Studio of Dramatic Art.

Now that Anchor Inn has reopened its doors, under the supervision of the Delta Gamma sorority, many folks are planning to entertain there informally during the summer months. Commencing Saturday evening, June 3, there will be dinner dances every week, and luncheons and dinner are being served regularly even at this early date.

CRAFTSMANSHIP IS A CREED HERE, AND ACCURACY A LAW

THE new Cadillac plant, like the New Type 61 Cadillac, stands as the visible consummation of nineteen years of development and progress.

During this period of sound growth, thousands of instruments of manufacture, expertly contrived and almost unbelievably exact, have been designed especially to meet Cadillac

standards of precision, and these the new plant houses most efficiently in its more than 2,500,000 square feet of floor area.

A monument to both the highest standards of personnel and quality of manufacture, this new home of Cadillac is justly deserving of the same title accorded its product—"Standard of the World."
