

# LEGION DEDICATES WAR VETS' HOSPITAL

Attend Exercises at Elgin  
Sunday, May 28

Five thousand World War Veterans, representing 150 posts in Illinois, including north shore units, are expected to attend the exercises at Elgin, Sunday, May 28, at the dedication of the new building for World War Veterans at the Elgin State Hospital. The principal addresses will be delivered by National Commander Hanford McCauley and State Commander W. R. McCauley of the American Legion, Governor Len Small and Director C. H. Jenkins of the Department of Welfare.

The building is the first to be completed under the terms of an appropriation made by the last General Assembly at the urgent request of Governor Small, for the treatment and rehabilitation of veterans now in the state insane hospitals. It cost approximately \$150,000 and will house 250 patients. It has a frontage of 273 feet and contains dormitories, dining rooms, serving rooms, day rooms, toilets, baths, wash rooms, linen rooms, and clothing and mending rooms. A large court and 1,500 feet of sidewalk provide room for outdoor exercise and recreation. The physically sick will be cared for in small wards of from five to six beds each and a separate entrance permits relatives to enter these wards without coming in contact with other parts of the building.

### Make Place Homelike

New furniture of the highest quality has been provided at a cost of between \$10,000 and \$15,000 and every effort has been made to make the building as home-like and pleasant as possible, as it is believed the environment will have an effect upon the recovery of the afflicted veterans.

The cost of construction has been reduced materially by the use of institution inmates wherever possible under the new system of occupational therapy. All of the common labor was furnished by hospital inmates. They did all of the excavating and furnished all of the concrete blocks.

Material was provided from the sand and gravel pits owned and operated by the hospital.

At the exercises Sunday, which will be held in front of the building, where

a large stand has been erected, two School for Boys will be present with battalions of boys from St. Charles their band.

## Protecting the purchaser of lumber

For the protection of lumber buyers the Chicago Retail Lumber Dealers Association has adopted the trade-mark

### CRLDA

This trade-mark is stamped on the buyer's delivery ticket as well as on each lot of lumber. Whenever you buy lumber under this trade-mark you are not only guaranteed the grade of lumber you buy, but it is also your assurance of full measure—1,000 feet delivered for every 1,000 feet charged.

No matter where you live in Cook County, you can now buy all your lumber under this trade-mark. It is our guarantee to you. Call on any of our members for your lumber needs.
