

LONGER SCHOOL DAY AT NEW TRIER HIGH

Crowded Conditions at School Cause Change

Owing to the crowded conditions at New Trier Township High school, it has been necessary to reorganize the schedule of classes and to lengthen the school day twenty minutes, making the closing time 3:30 o'clock.

The present sponsor system, because of the rapid enrollment increase, has become inadequate, it is explained. In order that the faculty may get into closer contact with the individual student, each of the four classes will be divided into smaller groups of not more than thirty students. A sponsor teacher will have charge of each group and will meet that group during an extra period of fifteen minutes each day. At these meetings problems common to the student and teacher may be discussed.

May Lunch at Home

With the added twenty minutes to the day, each student is given a choice of four privileges, namely: to have first of ninth period free; to have fifth or sixth periods, or sixth and seventh periods free to go home for lunch. It is the hope of the school authorities that the parents will urge their boys and girls to take advantage of these lunch periods, since the school mess hall is now so crowded that many of the students are compelled to eat their noon-day meal in corridors or even out-of-doors. On rainy days it is almost impossible to accommodate the numbers, it is explained.

WINNETKA SPLITS EVEN IN HOLIDAY BALL GAMES

Winnetka's Baseball team fared exceedingly well in last Sunday's affair with Wheeling of the North Shore league, winning easily, 12 to 3. On Decoration Day our lads showed badly against Wilmette, taking a complete lacing, 17 to 2.

Winnetka scored all of her runs in the first two innings at Wheeling. Ray Orwig pitched stellar ball and Joe Kosir sparkled in the outer gardens and at the bat.

Wilmette compiled all her runs in the first two innings, but that was before Orwig took up hurling duties. After the second Ray had them eating out of his hand, after a manner of speaking.

The locals meet the husky Highwood gang in the north country next Sunday afternoon at 3 o'clock. A trainload of healthy-lunged rooters is expected to accompany the home crew.
