

Kenilworth Happenings

A most beautiful and impressive Memorial service was held at Kenilworth Assembly Hall on Sunday afternoon in commemoration of the five Kenilworth boys who lost their lives in the Service. Dr. Craig Stewart of Evanston and Dr. College of Kenilworth spoke, and beautiful eulogies to the "absent ones" were given as follows:

Franklin Bellows — by Horatio Chandler.

Andrew C. Campbell—by Richmond Kenyon.

Charles P. Macklin—by Ogden Cook. Walter Schulze—by Olive Taylor. Manierre Ware—by Leon Allen.

All the school children, the Boy Scouts and Kenilworth boys who were in the service were present and several of the boys gave very interesting talks regarding the War. Music was furnished by the Great Lakes Band. Especial honor was paid to Mr. James Keefe, a veteran of the G. A. R., and to Mr. Flood who served in the Spanish War.

Miss Dorothy Bennett entertained at luncheon on Monday in honor of her house guest, Miss Molita Hutt of San Francisco. Miss Dorothy Klotz gave a luncheon at the Indian Hill Golf Club on Thursday in honor of Miss Hutt, and the Misses Beatrice and Florence Pease are giving a Bridge on Friday afternoon in her honor.

Among those who attended the Memorial Day festivities at Westmoreland Country club on Tuesday were Mr. and Mrs. C. C. Mitchell, Mr. and Mrs. George White, Dr. and Mrs. Donald Gallie, Mr. and Mrs. Donald M. Gallie, Jr., Mr. and Mrs. Arthur C. Hammond, Mr. and Mrs. Edward Maas, and Mr. and Mrs. H. W. McKay.

Mr. and Mrs. Hugh A. Foresman are leaving Monday for the East where they will attend the graduation of their daughters, the Misses Emily and Dorothy Foresman. They will remain in the East about a month before returning home.

Residents Warned Against Poison Ivy Epidemic Here

Warning to Winnetka residents is sounded this week by householders in Hubbard Woods who are authority for the report that a small epidemic of Poison Ivy infection has developed in that section.

The "weeds" are thick this spring, it is said, particularly on vacant property. Citizens are urged to pull out the plant if found growing on private grounds. Rubber gloves are necessary in the operation to prevent infection on the hands.

Saving is a necessary part of real progress—which is always planned ahead. Saved money puts life in opportunity. It smooths out the rough spots of life. It is the power for any purpose. And it works for you all the time.
