

## All Aboard for Lake Hamlin

Boys and girls—and their elders, as well—just want to forsake everything that smatters of urban life and hie to the woodlands, broad meadows and the lake shore when they glimpse and study the accompanying views taken last summer at Lake Hamlin, the Boys' and Girls' Summer camp conducted each year by Winnetka Com-

munity House, under the personal supervision of "Chief" J. W. F. Davies.

As detailed in another column of this issue of the Winnetka Talk, the boy campers are to leave via the "Puritan" for Lake Hamlin (near Ludington, Mich.) on June 26. Twenty days from that date,

July 17, to be exact, the girls of the village embark on the same steamer for the self-same camping grounds. There is still time to register boys and girls for these camps, according to Community House officials.

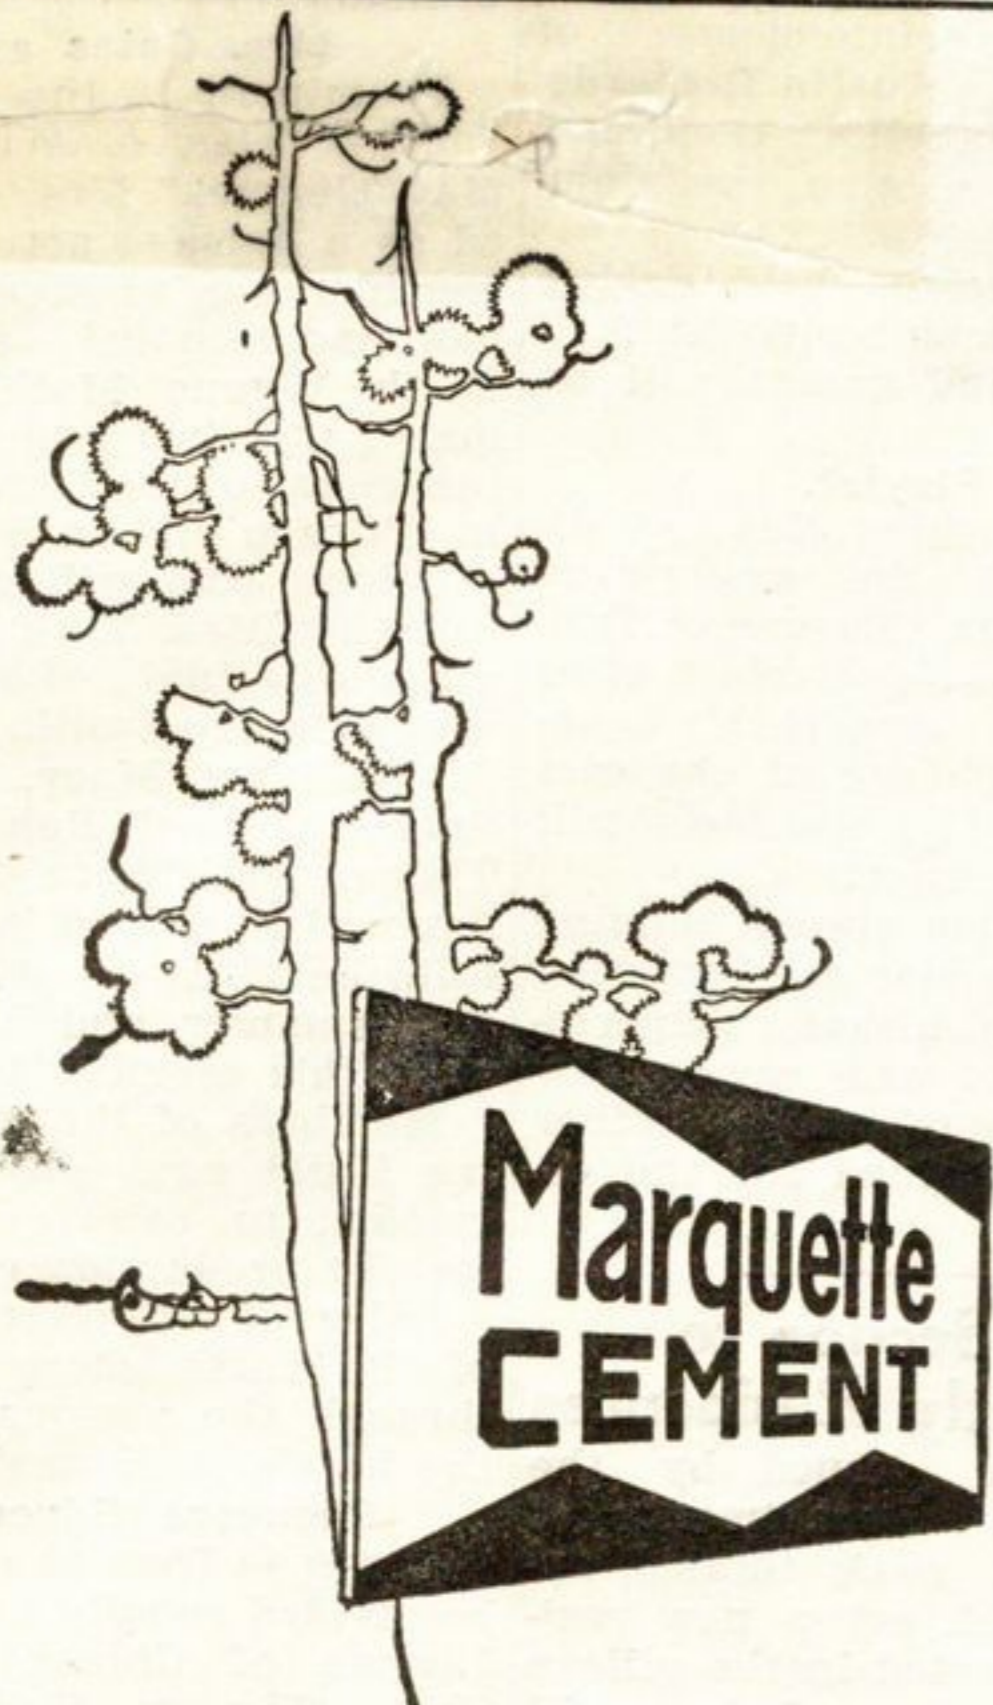

It'll be a long wait until that boat whistle announces that the annual hegira is under way.
