

SLAY ALL UNMUZZLED DOGS IN KENILWORTH

Pres. Murray Issues Drastic Proclamation Following Reports of Attacks

EFFECTIVE JUNE 15

Police Ordered to Carry Out Stipulations

Dog muzzling season in Kenilworth was inaugurated Thursday, June 15, in accordance with a proclamation issued by Village President James C. Murray and dated June 12, which stipulates that all dogs found running at large in the village without the required, securely adjusted muzzle be summarily put to death by the department of police.

The drastic order in Kenilworth followed recent reports that several persons in the village had been bitten by dogs permitted to run at large.

President Murray's proclamation sets dog muzzling time from June 15 to September 15. The proclamation is similar to one enforced in Wilmette last year.

The Dog Muzzling proclamation is thoroughly in accord with the provisions of the Kenilworth Village Code which stipulate in part as follows:

"Section 7. Police to kill dogs at large in violation of ordinance. It shall be the duty of any police officer of this Village to kill and bury any and all dogs found running at large on any of the streets, alleys or public places in this Village upon which a license has not been paid as aforesaid, and also all unmuzzled dogs found running at large on any of the streets, alleys or other public places during the period covered by any proclamation authorized in Section 3 of this chapter to be issued by the President of the Village, and all fierce or vicious dogs found running at large at any time."

The penalty prescribed by the Village Code follows:

"Section 8. Penalty. Any person or persons who shall violate, fail, neglect or refuse to comply with any of the foregoing provisions of this chapter shall, upon conviction, be fined in a sum not less than five dollars nor more than one hundred dollars for each and every offense."

BOXING CARNIVAL ON FORT SHERIDAN BILL

Army, Navy and Marines Enter Big Contests

Under existing orders prohibiting the participation of civilian boxers in the fort ring, does not necessarily mean that good boxing shows has reached its climax at Fort Sheridan. As a matter of fact, an army, navy and marines boxing carnival has been arranged at Fort Sheridan for Tuesday, June 20, that ought to prove a real attraction for the North Shore, inasmuch as some of the participants are experienced veterans of the ring, and there usually is more rivalry between service men, as they do not always fight for the love of money.

In the windup, Nick Carter, the king pin of the Great Lakes middleweights, will swap punches with the much touted Eddie Wilson of the Marines, who comes to Great Lakes from the South with a record as a real socker of the mean variety.

Carter and Wilson will keep the audience thrilled for eight rounds at 158 pounds.

Jack Stein, the popular soldier ban-

tamweight who has been out of the game for some time will make a return to the ring with Tommy Gooding, a marine facing him.

Stein is a good little performer, well experienced and in good condition can give anybody a real fight.

There will be several other interesting bouts.

In all, it will be 30 rounds of the fastest boxing ever seen at Fort Sheridan, and the boys undoubtedly will perform before a packed house.

Tickets will be placed on sale throughout the North Shore, from Evanston to Waukegan.

The pasteboards may be secured at the Evanston hotel, Evanston; Leffingwell's Billiard Hall, 811 Davis Street, Evanston; Wilmette Pharmacy, Wilmette; Glencoe Electric Shop, Glencoe.
