Seeking a Garden Plot?

Here's a Timely Hint

There is such fine garden land in the Skokie on the grounds of the new Skokie school, that Superintendent of Schools Washburne, suggests Winnetka residents, who care to grow gardens, might do well to take up plots for the summer and fall months.

Plots, both large and small, are available at no cost, according to Mr. Washburne, and may be secured by the simple expedient of calling at the school offices, any morning.

There is still time for planting of vegetables to be harvested late in the fall.

"No Lights" Drive Nets More Fines in Village

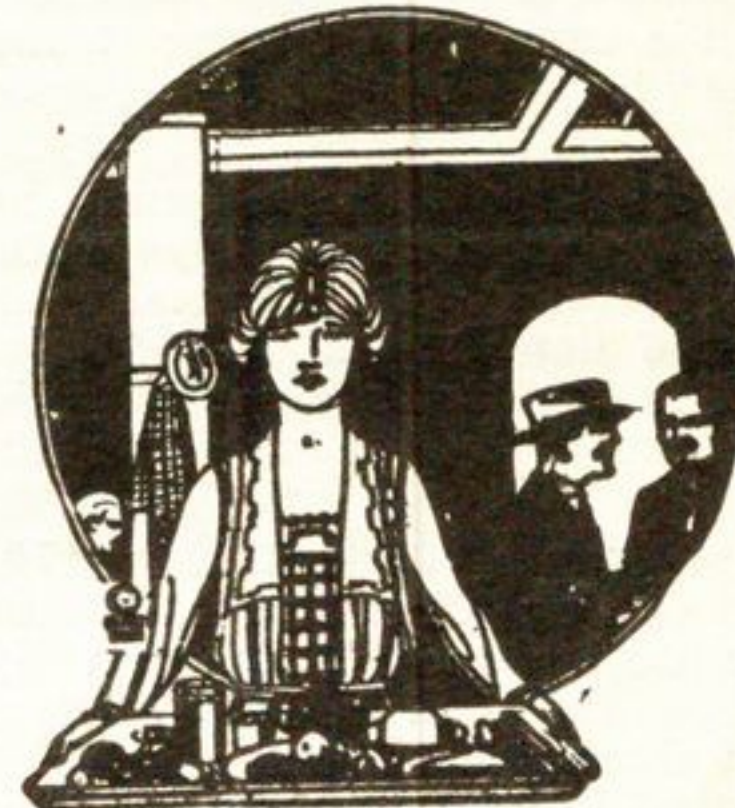

Automobile owners who persist in parking their cars at night without lights are paying fines which hardly cover the saving on the batteries. The early season campaign against speeders has shown results. Only two drivers were fined last week for excess speed, showing that the Winnetka motorcycle policemen have taught the motorists to respect their prowess.

Those arrested for neglecting lights were: S. L. Reinhardt, 1004 Pine street, \$3 and costs; E. D. Weil, Glencoe, \$3 and costs; Joe Spitz, 351 Lincoln street, \$3 and costs; W. T. Cameron, Evanston, \$3 and costs. Herman Efflandt, Shermerville, was fined \$3 and costs for parking his car on a parkway.

"Try Taylor's! He'll have it!"

In the summer you need lots of things. Most of them you can get at Taylor's. A few others, like ice cream and neckties, you'll have to get somewhere else.

Ever try a spring-hoe? Fine for gardening! Makes work a pleasant exercise.

Surprise your wife! Give her an extra fine aluminum double boiler. Maybe she'll cook you some oatmeal "like Mother used to make."

The word TAYLOR comes from the English and means satisfaction in house helps.
