Children's Pageant At Ravinia Park Thursday, July 27

WINNETKA children are invited to take part in the Historical Pageant at Ravinia Park, next Thursday afternoon, July 27. The characters which are to be portrayed include soldiers, Red Cross nurses, and sailors. There will also be some children dressed as Liberty Bonds. Simple costumes representing the above characters may be worn by the boys and girls. Further information regarding such may be obtained through Mrs. L. G. Schmid, Mrs. Luther Barber, Mrs. John Vennema or Mrs. George Parker.

The music for the Pageant has been arranged by Mr. and Mrs. Marx Oberndorfer and is authentic for each period of history. The first episode will center about the Indian period. Civilization watches the coming of the Indian. Episode Two covers the Discovery of America, to be portrayed by Lake Foresters. The third episode is the Period of Colonization, by Highland Park; Episode Four, The Period of the Revolution, Ravinia; Episode Five, The Period of the Pioneer, Lake Bluff; Episode Six, The Civil War Period, Glencoe; Episode Seven, The Melting Pot Americanization Group, Wilmette; Episode Eight, The World War, Winnetka and Hubbard Woods; Episode Nine, The Period of Today, Evanston.

The Winnetka Ravinia Committee of which Mrs. John Vennema is chairman, entertained thirty-four children from Fellowship House, Chicago, for luncheon and the concert on Thursday of last week.

Gamma Epsilon Pi, national honorary sorority, held its third annual convention at Spring Park, Lake Minnetonka, Minnesota, June 26th to July 3d.

Consolidation with two other national commerce sororities was accomplished at the convention and a constitution and ritual were adopted, which combine the best features of all three. Alpha Gamma Pi and Phi Sigma Chi have now taken the name and pin of Gamma Epsilon Pi, which now has 17 chapters. The new chapters are at New York, Washington, Syracuse, Texas, Columbia and Wisconsin universities. Gamma Epsilon Pi was organized by the women students of commerce of the University of Illinois in 1918.

At this year's national convention the efficiency trophy was awarded by the grand council to Beta chapter of Northwestern university. Alpha Chapter of Illinois university received the scholarship cup.

George W. Dowrie, dean of the school of commerce at the University of Minnesota addressed the sorority at the closing banquet, saying that he would consider the local chapter an advisory board for the students.

The following national officers were elected: President, Grace M. Merrill, Northwestern '20; Vice-president, Ruth Lindstrom, Wisconsin '21; Secretary, Lena Rhue, Illinois '19; Treasurer, Laura Heim, Wisconsin '22; National Visiting Delegate Cecile Lins, Wisconsin '22.

Grace Frey Schwartz, Northwestern '22, president of Beta Chapter, and Georgia Stamm, Northwestern '23 secretary of the local chapter, were the delegates to the convention from Evanston.

In response to many inquiries, the Ravinia Club at its last meeting arranged that Mrs. Annette Jones of Highland Park would dispose of all unused tickets which may be sent her by Ravinia patrons unable to make use of them. Mrs. Jones will see that the tickets are used by music lovers unable to buy tickets, by deserving

music students, disabled soldiers or sailors and persons from charitable institutions, etc., from Chicago as well as along the North Shore. Since there has been a demand for such arrangements it is hoped there will be a ready response to the plan. The Ravinia Club is entertaining a group from the various children's institutions, and settlement houses and congested districts of Chicago and vicinities, at each Thursday afternoon program for the children. Each Thursday is in charge of one of the north shore suburbs and the committee arranges for the transportation, entertainment, luncheons and reserved concert seats for over 30 children a week.

Mr. and Mrs. Carlton Prouty and family, who returned early this week from their hunting and fishing cabin in Oneida county on the Wolf river, northern Wisconsin, have taken up their residence at "Binkie Lodge" on the Fox river, at McHenry, Ill., for the remainder of the summer. Mr. Prouty and his son, Richard, recently returned from a 350 mile trip by row boat, down to Alton, Ill., starting at the Wilmette Drainage canal, and rowing down the Des Plaines, Illinois and Mississippi rivers. They did their own cooking and laundry work, and camped along the river banks. It took them two weeks to make the trip.

Mr. J. Allen Haines, who has been at the Ambassador hotel in New York these last few days, is sailing today on the Homeric, to join Mrs. Haines in Paris. Later they are to motor through Great Britain with Lord and Lady Swaythling and their son, Honorable Everett E. S. Montague. The latter was tentmate of Mr. Haines during part of the war, when he was brigaded with the British royal air force.
