

THRILLS APLENTY IN BIG WATER CARNIVAL

Large Crowd Turns Out for First Annual Event; Winnetka Wins Relay

DUCK RACE AMUSES

Holden Anderson Is Winnetka's Champion

More than two thousand people witnessed Winnetka's first annual water carnival Sunday, July 30. The ideal weather and the perfectly smooth water helped make the event a success.

Among the events which were of great interest, the relay race for the north shore championship was one of the most thrilling. The Winnetka team, Holden Anderson, Melvin Veeder, John Dewar and Paul Corbett were victorious over the Glencoe and Wilmette teams. The duck race and the tub race were among the most amusing events.

The swimming races and the fancy diving events were among the best seen on the north shore, frequently bringing much applause from and giving thrills to the enthusiastic crowd.

The pushball contest between teams representing North Winnetka and South Winnetka was a hard fought and exciting game, the southsiders finally winning after a spirited fight.

The carnival was sponsored by the park board and managed by Tom Ganser, to whom much credit is due for the success of the affair. Tom Robinson, Northwestern's swimming coach officiated at the carnival and added his presence and activity.

Over two hundred contestants participated in the events, which covered a period of three hours and a half.

Owing to the success of the carnival this year, another will probably be held next year.

The Events

The results of the various events follow:

25 yard race (boys under 12) Won by Norman Sommers, Jack Mahnen, 2nd, William Conner, 3rd.

An Important Factor

that makes for perfection in our service is the fact that every detail of it is looked after personally by Mr. Scully himself. In this way the things that an employee might regard as "good enough" are detected before they prove that good enough is no good in our line of business.

Scully service has made transportation here in Winnetka a simple matter indeed—if the right organization does it!
