North Shore Yacht Club to Change Name; Inspect New Cruiser

A NEW thirty-six-foot raised cabin cruiser belonging to the Burger Boat company, was moored in Wilmette harbor last Friday for inspection of the members of the North Shore Yacht club. The boat is the last word in designing and visitors at the club enjoyed an inspection tour preceding the regular weekly dance.

The club has recently been informed through the Secretary of State of Illinois that its name must be changed, as articles of incorporation cannot be granted where the name has been used on prior occasions. Club members are now offering suggestions for the new title. Memberships in the club are now all taken and a waiting list has been established. Lawrence D. Ely of Evanston is membership chairman.

WILL WE LIKE WINNETKA?
I THINK so, but my wife is not quite sure so we're going to try it. I want to rent a house for one year with an option to buy if we find everything as pleasant as I anticipate. We want a permanent home. That's why we're going to be so careful in selecting it. A house of six or eight rooms will meet our need—but we are as much interested in the grounds as in the house. If you have a house that can stand the test of one year's trial, please let me know. Just write A. M. L., Lake Shore News, Wilmette, Ill.
IF WE DO I'M GOING TO BUY
