

WINNETKA WEEKLY TALK

The Timely Record of Community Events

VOL. XI, NO. 23.

WINNETKA, ILLINOIS, SATURDAY, AUGUST 19, 1922

THIRTY-TWO PAGES PRICE FIVE CENTS

COAL SUPPLY RUNS LOW IN TOWNSHIP

Survey Shows New Trier Dealers Have Only Meager Supplies Now.

ANTHRACITE IS LOW

Approximately 1450 Tons of Coal on Hand

The entire north shore district, comprising Wilmette, Winnetka, and Glencoe, has but 1,450 tons of coal on hand, with most of this already sold. This was discovered in a survey made Tuesday by the Lake Shore News.

All of the fuel supply houses in the township are taking orders subject to delivery as soon as possible, at prices quoted at the time of delivery. "Plans will of necessity follow in the path laid down by the fuel administration," declared C. F. Edinger of the Edinger Coal company. "These plans are now being formed, and we shall soon know a little better where we stand."

Anthracite Supply G.Gone

Almost all of the companies report cite coal. Some of them have a small the exhaustion of the supply of anthracite quantity of bituminous coal and coke on hand. The Edinger company has between 500 and 600 tons of coal in the yards, but it is all sold. Brandl Brothers, 1077 Merrill street, Winnetka, have 300 tons of hard and soft coal on hand, mostly under order, and 30 tons of coke.

Kutten Brothers, 709 West Railroad avenue, Wilmette, have between 200 and 300 tons of hard and soft coal, and report that they are receiving coke, at the present time. Earl Wiensstock of the Winnetka Coal-Lumber company reports 150 tons, with some soft coal not sold. The Weissenberg company, 813 Elm street, Winnetka, report about 70 tons of coal, mostly soft, on hand, and say that it is sold. Joseph Mercer of the Hubbard Woods Lumber and Coal company declares that their supply is exhausted, and that they are only taking orders subject to delivery when possible. The Central Coal and Building Materials company has no supply on hand.

Evanston has 1,900 tons on hand, according to a survey conducted early in the week. The Public Service company, and Northwestern university are two of the institutions, which promise to be the hardest hit, if no supply is obtained before winter.

There Is Another Adage About Not Counting, Etc.

*The best laid plans
Of mice and men
Aft gangy agley.*

All of which calls to mind the predicament of a Glencoe household wherein it has been found necessary to dispose of a perfectly comfortable and runable infant's carriage, for the simple reason that the vehicle will not do—it isn't big enough, if you comprehend what we mean.

The classified ad section of this week's issue contains an appeal for a buyer of a single-seated child's carriage.

Then the answer to the strange circumstance—

Reading on in the always interesting "householders' market" we are confronted with a desperate appeal for a double-seated baby carriage. Same address in each ad.

Now you understand perfectly.

Claims Realty Broker Worked Confidence Game

Paul Schroeder, a north shore real estate broker, is at liberty on \$2,000 bail, pending appearance in Magistrate D. M. Mickey's Wilmette Police court on Tuesday, August 22, to answer a charge of "obtaining money under false pretense, commonly called the Confidence Game" preferred by Vida J. Mitchell of Indiana.

Schroeder was arrested on a state warrant issued by Justice of the Peace John W. McCarthy of Lamont, Ill.

The defendant is accused of having received the sum of \$40 from the complainant by means of a false promissory note.

Schroeder was arraigned in Magistrate Mickey's court Saturday, August 12, when bail was fixed at \$2,000.

KENILWORTH APPLIES FOR WINNETKA WATER

Through its attorney, E. E. Jackson, and Village President James C. Murray, the Village of Kenilworth this week formally applied to the Winnetka Council for water supply from the Winnetka Water and Light plant.

Kenilworth, the officials stated, is planning to purchase the supply system of the Kenilworth Water company, owned by the Sears estate, and will abandon its pumping station in favor of the Winnetka supply source.

The matter was referred by the council to the Water and Light committee for investigation and report.

WINNETKA ENDORSES NEW TRIER OUTING

Officials Promise to Assist in Plans

The Village of Winnetka, following the custom established several years ago, this year again heartily endorses New Trier Day, the annual township outing sponsored by the New Trier Commercial association.

The Village council recognizes the day in the accompanying resolutions:

"Be it resolved by the Trustees of the Village of Winnetka, In Council assembled,

"That we hereby officially endorse and recognize August 23, 1922, New Trier Day, in recognition of the importance of the New Trier Commercial Association in the Community."

In addition to endorsing New Trier Day, the village, through its administrative officials, has again promised to lend a hand in assisting the business men in working out the details of the outing. The Department of Public works men are to erect the reviewing stand at Elm and Center streets where the various village executives will observe the annual street procession.

Winnetka Trims Fort Men; Same Teams Here Sunday

Winnetka nosed out the strong Fort Sheridan nine last Sunday with a 10-9 victory, grabbed off in the twelfth inning. Brickie Kassner, the hard hitting first sacker, connected with a triple in the last inning dragging the game off the coals, a brand from the burning, bringing in a man and winning for the Winnetkans.

The score stood 6 to 6 in the ninth; in the eleventh the Fort team brought in three tallies, and the Winnetkans followed suit, Kassner's triple winning the game for the local team. He had a good day with the willow, connecting with a double and a single, in addition to his victory-spelling wallop. Pete Lucchesi was on the mound for the Winnetka team, with Louis Gutekunst, better known as "Goody," behind the bat.

The game was tight, both teams playing good ball, and the same nines will repeat Sunday on the local field.

Ask Courtesy to Golfers In Tournament Play Here

A leading member of the Winnetka Association Playfield has asked the courtesies of the club for tournament players who golf on the local course.

The Chicago Municipal Golf league tourney is in progress, and the Playfield course has been one of the many clubs where the match play has been going on.

It is customary for golfers of the local clubs to allow visitors in tourney play to drive through them. Some local devotees of the game, not understanding who the guests were, have misunderstood, and taken offense at the custom. It is hoped to clear up the misunderstanding by this explanation.

Contractor Draws Fine For Building Law Lapse

Al Lind, contractor, was brought before Justice Nelson this week on the complaint of a village official for placing building material on the street, and leaving it over night without protecting lights. Patrolman Iverson served the warrant. The building contractor was assessed \$5, and the costs were waived.

TEMPORARY HOMES FOR TEACHERS, NEED

Winnetka Public School Instructors Must Be Housed Until Apartment Is Built

APPEAL TO RESIDENTS

Parent-Teacher Association Makes Request

The apartments which W. H. Aitken is building at Linden avenue and Gage street, to be occupied by the Winnetka school teachers, will not be entirely completed by September 1, when the teachers arrive to begin their work.

The Parent-Teacher association appeals to the residents of Winnetka for aid in finding temporary rooms for these teachers. Anyone willing to furnish room and board or room and breakfast for a teacher for a period of from two to six weeks is requested to call Mrs. Arthur Dean, Winnetka 241, or Mrs. Dudley K. French, Winnetka 395.

Must House 11 Teachers

There are eleven teachers who must find temporary homes until the apartments are completed. Two teachers desire room and board in private homes for the entire school year. In previous years the appeals for aid in housing Winnetka's teachers have been responded to most generously. The great need this year is for homes for this short period.

The Parent-Teacher association, meanwhile, is very busy collecting the furniture donated in response to appeals in the Winnetka Talk for the furnishing of these apartments and painting and renovating the articles.

Need More Furniture

As requested in a former issue of the Winnetka Talk, persons having furniture for which they have no further use will do a real service by donating such articles to the Parent-Teacher association for use in furnishing these apartments. Calls will be received by Mrs. Frank Stover or Mrs. Arthur Dean.

Ask Property Owners Help To Eradicate Poison Ivy

Co-operation of Winnetka property owners in ridding the village of poison ivy was requested at the Tuesday council meeting by Mrs. B. F. Langworthy, trustee.

Numerous children and adults have suffered poisoning from the ivy weed this summer. Mrs. Langworthy declared in suggesting that property owners be asked to take the initiative in cutting away the poison ivy, particularly in vacant properties where people are often infected because the weed is permitted to grow near sidewalks and footpaths.

Every Resident

of New Trier township should do his part to make the New Trier Day celebration a big event. Every reputable merchant is lending a hand by closing his store and assisting the committee in charge both financially and physically. The townspeople are guests, the merchants are hosts.

Order Early Tuesday
Stores Closed Wednesday

SKOKIE MOTOR FIRM ERECTS NEW BUILDING

A new brick and stone building on East Elm st. is to house the Skokie Motor company. The building is to cost \$25,000. The land is valued at \$15,000. The structure is to be one story in height on a lot 50 by 150 feet. Next spring it is planned to extend the building to 211 feet.

Ground was broken last Friday for the new structure. It is thought that the building will be finished by November 1. It will be equipped with 2,000 worth of shop equipment giving the service station an opportunity to do as good work as any shop in the county. The Skokie Motor company will continue to confine its sales to the Ford and Lincoln cars.

"The building is to be of gray brick," says John Leonard, proprietor. "The front will be of Bedford stone. We are putting the best of everything into the new service station, and it will be an ornament to the community."

RAVINIA PATRONS! HOW ABOUT THIS?

Those Unused Coupons Now Have a Good Place

Patrons of Ravinia Opera, who are leaving the north shore at this mid-summer period, and, by reason of their departure for various vacation spots, are leaving behind unused those Ravinia club coupon books, are given a gentle "tip" on a plan accomplishing something really worth while in their absence.

This is the plan suggested by a Ravinia club patron.

"Suppose you were longing to hear music in the cool of the evening when a hard day's work was over, but were unable to indulge in this pleasure because of the carfare to Ravinia and the seventy-five cents entrance fee!

"There are many people who know at this time that there will be many tickets thrown away in their Ravinia coupon books after Labor Day. Will they not, perhaps, mail them to the visiting nurse of Winnetka, Miss Garretson? Address, Community House. She visits not only the sick, but also those who are too poor to avail themselves of such pleasure. Mr. Hadley of the Correspondence School for the Blind could also use tickets for many blind people."

British-American Society Gives Farewell to T. Glen

A combination farewell and surprise party was given by the North Shore British-American society, Thursday evening, for Thomas Glen, 925 Linden avenue, who is leaving for Niagara Falls, Ontario, tomorrow or Monday. The party was given at the Community House, and was planned by James G. MacFadzean.

The feature of the evening was the presentation of a purse to Mr. Glen, who has been a resident of Winnetka for ten years. He has won scores of friends during his stay here, and is extremely loathe to leave the vicinity, he declared. Glen plans to build a home at Niagara Falls on some property he owns there, and will enter the carpentry business in that locality.

Indian Hill Boys Enter La Grange Caddy Tourney

Caddies from the Indian Hill Golf club will make the trip to LaGrange, Monday, to enter the tournament for caddies at the LaGrange Country club. The Indian Hill boys who will make the trip, are John MacFadzean, club caddy champ, George Thalman, Louis Alexander and Robert Flint.

Clubs from all over the county will be represented, and some fast and close golf is sure to be the result. There will be 36 holes of medal play, and the boys from the Indian Hill club are going to do their best to bring back the title with them.

Sixty Miles An Hour Is Not Too Fast For Cops

P. C. DeCommingh, 4815 Kenwood avenue, Chicago, tried to beat 60 miles an hour, Monday, on Sheridan road. He did, but he didn't beat Officer Ostone of the Winnetka motorcycle force, who arrested him at Lloyd place. Mr. DeCommingh is scheduled to appear before Justice Nelson. He gave a \$100 check as bond for his appearance.

WINNETKA GIRLS IN BIG WATER CARNIVAL

Participate in Great Pageant at Luther Gulick Camps, Lake Sebago, Maine

WIN HIGH HONORS

Local Girls Take Leading Places in Events

Several Winnetka girls participated in a prominent way with more than one hundred others in the Annual Water Sports Carnival of the Luther Gulick Camps on Lake Sebago, Maine, Tuesday of this week. For the first time in America colored canoes, blue, red, orange, black, white and purple, with sails to match, were seen, in their race around Ship Island. The next spectacular event was the crew race in the colored 34-foot war canoes.

Boat Pageant

The younger girls presented a boat pageant which was of special interest to the several hundred persons, parents and friends of the girls, gathered from cities throughout the country to see the carnival. In this the girls robed themselves and decorated their craft after the fashion of nations famous on the water—Vikings, Venetians, Greeks, Elizabethans, and Alaskan Indians. Other contests which held the spectators' attention were the cage ball-throwing from aquaplanes, the diving and under water swimming. The girls will return to their homes after the closing ceremonies are completed—the Marionette show, the exhibits of pottery, weaving and jewelry made by the girls and the horseback riding exhibit and the Health pageant.

Winnetka Entrants

Winnetka girls who participated in the carnival were: Margaret Lynde, 864 Bryant avenue; Katherine Adams, Margot Atkin, 5 Indian Hill rd.; Elizabeth Barber, 278 Linden street; Elizabeth Boyden, 725 Pine street; Margaret Cornell; Mary Ott, 4 Indian Hill rd.; Ashton Wilson, 2 Indian Hill rd.

Here Are the Men Who Are Making the Picnic

Here are the men who have the arrangements for New Trier Day in hand, and who, with the generous assistance of scores of other business and professional men of the township, are determined to give the residents of New Trier the best picnic they have ever experienced.

The general committee and subsidiary chairmen are

Alfred D. Herrmann, William T. Wehrstedt, Carl Sterner, Dr. C. B. Blake and Henry Cordell; B. W. Blow, chairman of races; A. C. Wolff, chairman of parade; Dan G. Stiles, finance chairman; J. C. Gopen, chairman of music; D. C. B. Blake, chairman of dancing; Carl Sterner, transportation chairman; John Papajohn, refreshment chairman; Otto Falk, chairman of grounds; Geirge White, chairman of attractions; Ray Iredale, chairman of Grand Prize committee; A. S. Van Deusen, wholesalers' chairman.

Death Claims Daughter of Mr. and Mrs. James Clipper

New Trier high school students and the many friends of the James Clipper family, 556 Cherry street, were shocked to hear of the untimely death, Sunday, August 13, of their only daughter, Miss Adelaide Leone Clipper.

Miss Clipper, who was a member of this year's graduating class at New Trier Township High school, had been ill throughout the summer months. She was to have entered Smith college this fall.

Funeral services were from the residence Wednesday, August 16, at 10 o'clock. Burial was at Kenosha, the former home of the family.

Alimony Defaulter Falls Into Clutches of Police

Esrias Hillner, who had been living with his brother at 855 Spruce street, this week was taken into custody by Chicago. He was wanted by the Chief W. M. Peterson, and handed over to the court of Domestic Relations in cago police for failure to pay alimony to his wife, Signa Hillner.
