

Fred Dettman to Assemble Band for New Trier Day

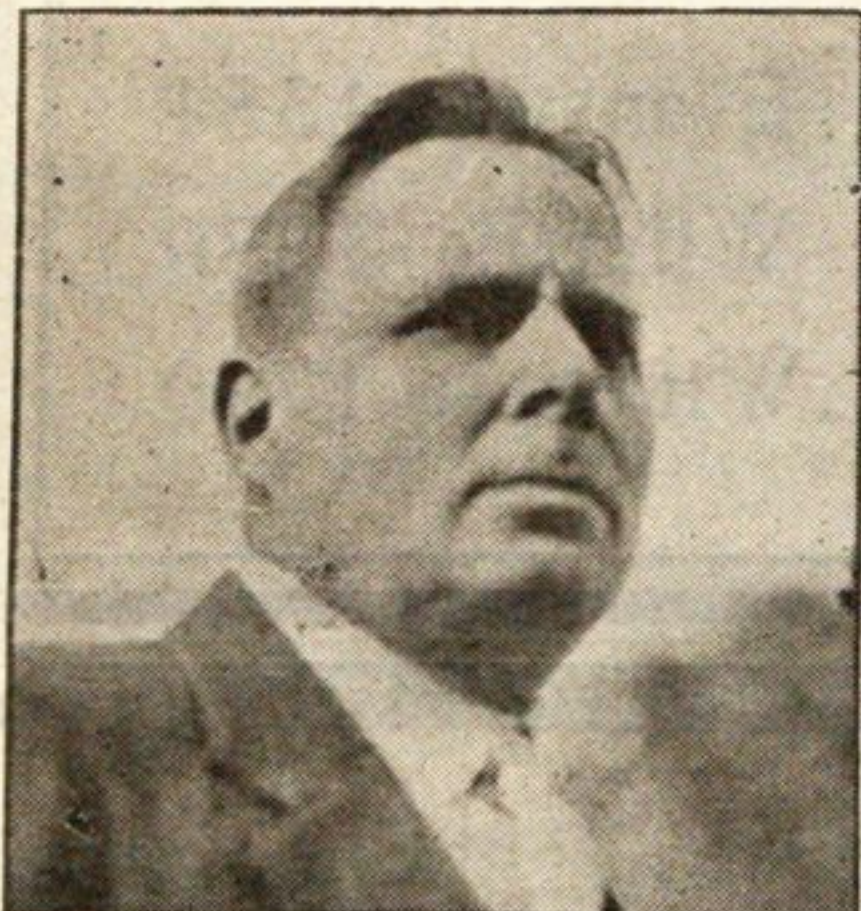

Fred Dettman, trombonist in the Wilmette Band that created much favorable attention in the days of the war, has been asked to assemble players for the New Trier Day band.

Under Dettman's guidance the band will appear at the head of the great street procession and, again, in concert during the afternoon and early evening hours.

Do You Think of Your Wife?

BEFORE buying that washing machine, vacuum cleaner or ironer for the wife, why not step in to see us and look them over? We always have three to four different types in stock.

You can also hear the best known types of phonographs, such as Edison, Sonora, Columbia and Brunswick, in actual comparison and you will, no doubt, be surprised at the result.

In pianos we can show you among others, the nationally priced Gulbransen player piano.

Sewing machines? Sure, we have them.
