

### HERRIN FUND DRIVE FOR \$200 IS NOW ON

(Continued from page 1)

expect your co-operation. Our investigation has included conferences with Governor Small, Lieutenant Governor Sterling, Attorney General Brundage, a special meeting of our entire Board of Directors, several meetings of the special committee and personal correspondence with all of the Presidents of the one hundred and two local Chambers of Commerce which are members of the Illinois Chamber of Commerce. The result of our study leads us to the following conclusions:

- "(1) That there are only two men who can carry on this prosecution. One is State's Attorney General Edward J. Brundage.
- "(2) That neither have funds to carry on the investigation and trial.
- "(3) That there is no source from which the Attorney General can expect to get any state funds.
- "(4) That Attorney General Brundage, while not charged with any legal responsibility in this matter, is willing and anxious to do all in his power to mete out justice to the guilty parties, and will do so providing the necessary funds can be made available.
- "(5) That the Attorney General will welcome the assistance of the Illinois Chamber of Commerce, of the local Chambers of Commerce and of all good citizens.
- "(6) That the Illinois Chamber of Commerce should, through its members, endeavor to raise a fund necessary for the ordinary expenses of this trial.

"In this emergency the State of Illinois is on trial. Our citizens visiting elsewhere have been compelled to hang their heads in shame. The world is asking us, 'What are you going to do about it?' We believe the only possible answer is that the business men of this state will contribute of their funds to the utmost in order to prove to the world that justice still reigns and human life shall be safe in Illinois."

#### Seek Contributions

The New Trier Commercial association announces that it will be pleased to receive contributions from New Trier citizens at their earliest convenience. The association is making a sizable contribution in its own name and solicits the co-operation of New Trier business interests and individual citizens. Contributions may be left at the offices in the Glover-Brown building, Wilmette. Checks are to be made out to the New Trier Commercial association (Herrin Fund), and addressed to the association in Glover-Brown building, Wilmette.

### WINNETKA WINS, 4-3, IN MASON PARK GAME

Winnetka's team defeated Mason Park last Sunday in a close game, featured by two double baggers, hit by Fritz Eckhart, catcher. The final verdict came out 4 to 3. Pete Lucchesi pitched good ball for the winners. Next Sunday the team plays Wilmette.

#### Need More Money for Toledo Golf Expenses

Lists are still open for contributions to the fund for defraying expenses of Winnetka's representatives in the Public Parks Tournament being held at Toledo, Ohio, this week. Response to the appeal sent out last week has not been commensurate with the general interest and approval expressed. This matter, and the payment of dues, are again urged upon the attention of the members. The officers state that members sometimes neglect payment of the \$1.00 sum, defer it until the association's activities become embarrassed.

#### TRAVEL BY AUTO

Best time of the year for motoring, go where you want, stop when you want, stay as long as you want, is there any way of travel more enjoyable than a trip by Auto through the country to the various lakes or the Dells of Wisconsin.
