Club Leaders Outline Program
for First Quarter

The "stage is set" and everything ship-shape for the opening tomorrow of the second season of the Sunday Morning Men's Class sessions at Community House.

"Right off the bat" the class has arranged a program that should interest every man in Winnetka. E. A. Henry of the Divinity School of the University of Chicago is the speaker. His subject will be, "The Setting of the Stage as Jesus Came Upon It."

Better Than "Best Seller"
"You couldn't buy a 'best seller' that will give you a more vivid and interesting story than the one Ed Henry will tell Sunday morning at the Men's class," reads a letter sent out to members this week by Albert B. Martin, president of the Sunday Morning Men's class.

"He's going to describe 'The Setting of the Stage as Jesus Came Upon It.' Imagine what a story it must be—this prologue to the greatest drama in the world history! What men were thinking of, the political situation, the economic condition, where Palestine stood with the rest of the world, its leaders and its people—their habits, superstitions, sins and virtues.

"It's a peach of a subject for this opening session of the new season—sure to draw a crowd. And I don't know anyone who could tell it better than Ed Henry of Chicago University's Divinity School."

Class Meets at 9:30 A. M.

The Sunday Morning Men's Class convenes at 9:30 o'clock at Community House. While the class is conducted as a department of the Winnetka Congregational church, its appeal is to every man in the village who is interested in the discussion of modern problems in their relation to the teachings of Christianity.

The class, started less than a year ago, has enjoyed a phenomenal development both in regard to the numbers of its members and in the general interest it has awakened in the village. It is now by far the largest Men's class on the north shore and each Sunday morning calls to the village some speaker of outstanding leadership who is an authority on modern day problems.

Arrange Excellent Programs

Organization for the approaching season has been completed and there is assurance of excellent programs for each Sunday morning of the year. The subject for the first quarter of the year is to be the life of Christ, and this Sunday's talk, along with next Sunday's discourse by Fred Merrifield, also of the Divinity School of the University of Chicago, will be more or less introductory so as to establish the proper foundation for taking up the direct study of the subject.

Wallace Rumsey, it is announced, is to be the class chorister in the current year. His popularity as a song leader is expected, in itself, to attract a crowded class room each Sunday morning.

Here Are the Leaders

Men who are directing the activities of the class this year include: William Ayer McKinney, leader; Lawrence A. Janney, associate leader; Albert B. Martin, president; J. O. Ely, vice-president; Mortimer B. Parker, secretary; Charles S. Jewell, treasurer; Leslie J. Dodds, program committee; Burton H. Atwood, entertainment committee; John Marshall, membership committee; Stanley P. Farwell, brotherhood committee; Douglas Taylor, publicity committee.

Adventure Islanders Don Dignified Party Attire

The councilors of Adventure Island boys camp were entertained at the home of Mr. and Mrs. Park J. Keeney on Hawthorne lane Tuesday evening of this week.

Dancing and games with reminiscences of the summer experiences made up an enjoyable evening. The guests were Mr. and Mrs. Charles A. Kinney, Joseph Greeley, English Walling, MacDonald, Whitney Oates, David DeLay, Dorothy and Margaret Ross, Marian Keeney, Hazel Flynn and Margaret DeLay.

MERCHANTS GET AFTER ELM STREET LIGHTING

Petitions, signed by a considerable number of business men in the Elm street business district, and requesting the early installation of ornamental street lights in that section, have been filed with the Village council, according to village officials.

The council plans to take active steps to co-operate with the business men in this improvement, it is announced.

The New Trier Commercial association has called a meeting of local business men to discuss this question at Community House, Monday evening, September 25. It is expected that representatives of the village will appear at the meeting at the invitation of the Commercial association.

32 WOMEN ENTER PLAYFIELD EVENT

Men Players Advised Concerning Tournaments

Thirty-two Winnetka women golfers entered the Woman's tournament at Skokie Playfield, the qualifying round of which was played Tuesday of this week.

The tournament, play in which is over nine holes, is well under way. Players who may feel that the handicaps arranged are too small, are informed by the tournament officials that such must be the case in a nine hole event, the handicaps of necessity being just one-half those affixed in 18-hole play.

Miss Ingraham Low

Miss Virginia Ingraham turned in the lowest score Tuesday and has been set at scratch, her score being considered par. Handicaps for the other entries will be computed on the basis of her score. There are to be straight handicaps.

Pairings for the tournament have been posted both at the course and at Adams' Pharmacy on Elm street. It is the request of the officials that the entries play their match as soon as possible, and, when possible, on Tuesdays. Mr. Wallie, assistant instructor at Playfield, is prepared to give detailed information concerning the play in the Woman's tournament.

Tournament Pairings

Tournament pairings are given out as follows: Miss Virginia Ingram (scratch) vs. Mrs. F. L. Moloney (5); Mrs. S. W. McCauley (4) vs. Mrs. Richard Hoffman (6); Mrs. G. Burnham (6) and Mrs. W. T. Wehrstedt (8) drew a bye on the first flight; Miss Helen Doane (2) vs. Mrs. S. E. Earle (5); Mrs. W. H. Keenan (4) vs. Mrs. Winscott (6); Mrs. Stanley Rich (4) vs. Mrs. H. T. Hyatt (6); Mrs. H. S. Word to Men Players

Men who are playing in the September Class Tournament and the Park Board cup event at Playfield have been asked to make an endeavor to play an extra match next week to make up for the time lost because of the heavy rains last week-end.

Richards Back at Pulpit of Congregational Church

All departments of the Winnetka Congregational church are resuming normal activity this week with the return of the pastors and members of the church staff.

Rev. James Austin Richards and his family returned to the village Friday evening from Maine and Mr. Richards will occupy the pulpit of the church this Sunday morning. His subject will be, "Expressing Our Religion." Communion service will follow the morning worship.

Dr. J. W. F. Davies, associate pastor of the church, returned with his family Thursday of this week from their summer home at Lake Hamlin, Michigan. Mrs. Davies and their son Gould, spent the greater part of the summer on the Pacific coast while Mr. Davies was engaged in supervising Community House Camp activities at Lake Hamlin.

Of particular interest at this time is the work of the Boy Scouts and Camp Fire Girls. Preliminary meetings have been held and preparations made for a year of varied activity.

Close Bathing Beach Soon; Plan Pier at Elder Lane

What has been perhaps the most successful season in the history of the Winnetka Bathing beach was scheduled to come to a close within the next week, according to Park board officials.

The summer season was featured this year by a very successful Water Carnival which attracted thousands of residents to the beach at the foot of Maple street.

The Winnetka Park board plans the construction of a new pier at the Elder lane beach. The improvement may be installed this fall, it is said.

LEADERS TALK OVER NEW TRIER NEEDS

Members of the North Shore Real Estate board were hosts to representatives of the various taxing bodies, township and village officials in New Trier township this week at a dinner and meeting at the Skokie Country club.

Edward R. Litzinger was the speaker of the evening. Mr. Litzinger is chairman of the Cook County Board of Review and was called upon to speak with reference to the forfeiture of delinquent properties upon which general taxes and special assessments have not been paid for a number of years, and the procedure of clearing the titles of these properties.

Other discussions at the meeting included a "good roads for New Trier township" program and upon the endeavor of the Real Estate board to bring the various villages in the township together on a co-operative basis for the purpose of promoting the civic welfare of the entire north shore community.

START PAVING JOBS IN HUBBARD WOODS

Contract Let to Verhey
Company of Champaign

Paving projects in Hubbard Woods seemed due for action in view of the announcement by the Winnetka Board of Local Improvements this week that the contract for extensive paving in that vicinity had been awarded Tuesday evening.

The contract for paving Scott, Asbury, Prairie, Greenwood and North avenues west of Vernon avenue in Hubbard Woods was awarded to the Verhey Construction company of Champaign, Illinois. The amount of the contract was given as \$67,259.84, as against \$76,643.64, the figure submitted by Foley and company of Evanston.

Work on the improvement projects is to be started immediately, although village officials doubt whether the work can be completed before cold weather sets in since contractors generally are having difficulty in securing prompt shipments of materials.

Verhey and company has done much work on state roads, it is said, and is one of the most reliable firms in Illinois, having established an excellent reputation in the road construction was found impossible to secure bidders.

The Hubbard Woods paving projects were delayed previously when it field.

Hollister Is Delegate to State Legion Convention

Lloyd F. Hollister, 798 Cherry st., has been elected the delegate from the Winnetka Post of the American Legion to the state convention of the world war veterans' organization to be held at Rock Island, Monday and Tuesday, September 25 and 26. Tom Brown was named alternate.

The local legion post held its first meeting of the new club year Tuesday evening of this week at headquarters in the Winnetka Woman's club building.

Nomination of officers for the current year will provide the principal business of the post meeting, Tuesday, September 26. Grinnell Wylie reported to the post that Community House directors had planned spacious and attractive legion quarters in the proposed Community House addition to be constructed soon.

W. C. T. U. Members Plan Fight on "Wines—Beer"

The Woman's Christian Temperance Union held its annual meeting Tuesday of this week at the home of Mrs. L. C. Norton, 370 Walnut street, Winnetka.

Annual reports were given showing that thirteen new members had been received during the past year. The same board of officers with Mrs. Norton as president were elected at the meeting. Other officers are Mrs. Hamm, secretary, and Mrs. Moody, treasurer.

The north shore unit discussed the letter received from state headquarters of the W. C. T. U. in which the women of Illinois "who believe in the protection of the Home and Good Government," aid in preventing the return of light wines and beer.

FINGER PRINTS NAB YOUTHFUL BURGLAR

Chief Peterson Employs Expert
Tactics in Arrest of
Alleged Robbers

HELD FOR CAR THEFT

Fifteen-year-old Boy Taken
into Custody

Conrad A. Wold, 15-year-old alleged burglar, is being held at the Detention home in Chicago at the instance of Chief W. M. Peterson of Winnetka, in connection with the recent burglary of the Thomas N. Wheatley home at 329 Fairview avenue.

Wold, whose home is in Evanston, was taken into custody under extremely interesting circumstances in which the finger print system, so frequently practiced by Chief Peterson with unusual success, disclosed the damaging evidence. Peculiarly enough, Wold was gracing a cell at the Evanston station house on another charge, when Chief Peterson appeared to examine the Evanston finger print catalog.

Seek Other Youth

Wold, it is said, has been assisted in his alleged burglarizing career by another Evanston youth named Glen Kenley, 19 years of age, and whom the police are now seeking. The story of Wold's arrest begins with the date of the Wheatley burglary.

On Sunday, August 20, Chief Peterson and patrolman Iverson were summoned to the Wheatley home when the owner, who had been away golfing during the day returned home at 5 o'clock to find a front window shattered and the home thoroughly ransacked.

Gets Distinct Prints

Investigation of the premises led Chief Peterson to the window in question. Here he immediately applied his finger print preparation to several pieces of glass with the result that, when photographed, the negatives disclosed some distinct impressions.

Peterson's next step was to consult the catalog at Evanston headquarters. Almost the first prints he examined coincided with those taken at the Wheatley home.

"Here's my man," Peterson shouted to Chief Leggett, of Evanston, who was assisting in the search.

"Yes, and he's downstairs, too," Leggett replied.

"What do you mean?" Peterson queried.

"Just that," came back Leggett. "We've got him for driving a car that didn't belong to him, a Rogers Park machine."

Held for Car Theft

The man—who is only a boy—was Wold. He was arrested on September 2, when stopped by Evanston police while driving a car that bore questionable license plates.

Wold and Kenley, the police believe, have been responsible for several burglaries on the north shore. Their specialty has been women's fine apparel and jewelry. They operated with a car, it is said, one playing chauffeur and "look-out" while the other "pulled the jobs." A blond woman is thought to have assisted them in several instances.

Wold's case will be heard in Judge Arnold's Juvenile court in the near future. He has appeared before the court upon three previous occasions, police declare.

Resume Church School Work at Congregational Church

The first session of the Winnetka Congregational church school will convene at 9:30 o'clock this Sunday morning.

The services for children conducted by Dr. J. W. F. Davies during the church hour, will begin at 11 o'clock this season because lack of room in the church auditorium makes it impossible to have the children at the opening services of the church as has been the custom in the past.

Provisions are to be made at the church for the care of infants and other children too small to attend the children's services, affording the parents freedom to attend the church services.
