

BEGIN SUNDAY CLUB SEASON OCTOBER 1

Programs of Exceptional Worth Promised

The Wilmette Sunday Evening club is to begin its eighth season Sunday evening, October 1, according to an announcement made this week.

The Sunday Evening club, one of the most important organizations of its type in the middle west, brings to Wilmette, each year, several of the best known leaders in the religious, political and commercial fields. The club, which is maintained by popular subscription, enjoyed its most flourishing year last season, and plans are being made, it is said, for a season that will make the club second to none in the country.

Music Program Feature

A feature of the club programs are the special programs of music arranged by Mrs. Marie Edwards Von Ritter, organist. Special Musicale evenings are a delightful departure which has proved remarkably successful.

The Wilmette Sunday Evening club is under the excellent leadership of W. Frank McClure, who has served as its president for several years and is largely responsible for its remarkable development into one of the most potent influences for good in the community.

Committee of Citizens

The club Executive committee are the following citizens of the village who were selected at the final club meeting last spring.

M. B. Skinner, J. R. Harper, George Turner, H. K. Snider, K. C. Meagher, Justice D. M. Mickey, Lemuel F. Owen, J. L. Mills, Claire C. Hosmer, D. B. Brover, George M. Hubbard, S. C. Bennett, H. G. Clark, J. D. Roth, C. E. Thompson, Eston V. Tubbs, Albert N. Page, Herbert B. Mulford, E. Anderson, George L. Martin, E. R. James, George C. Mannerud, J. S. Cline, F. M. Chaffee, Dwight Chapman, Edward Uhl, R. M. Johnston, A. H. Homrighaus, C. D. Howe.

If You Have Motor Driven Oil Burner, Tell Village

The village would like to bring to the attention of all persons whose houses are heated with oil burning furnaces, the importance of registering this equipment with the village office, particularly if electric motors are used for operating the furnaces.

It is occasionally necessary to shut off electric service in sections of the village for repair work and if the village office is informed it will notify persons depending on electric service for furnace operation, so that they may make preparation in advance for temporary shutdowns.

You Skokie Band Fellers Had Better "Step On It"

Skokie school had better "step lively" with its new band or Glencoe will beat the local boys "all to smash", is the warning issued from Director J. C. Schumacher's headquarters.

Glencoe and Wilmette school bands are laboring diligently and prospects for the year are excellent. Skokie can do just as well, says Mr. Schumacher, if an earnest effort is made right now.

Royal Arcanum News

Rainy weather and brief announcements didn't stop Winnetka Council 1131 of the Royal Arcanum from having a large attendance and snappy meeting last Monday. The Royal Arcanum is alive—growing! We initiated a new brother last meeting and have five applications in our hands for membership. If you are a member, join our meetings, if not a member see our members and join. You won't regret it!

Prospects of sport activity are not only planned but are now assured in this council this year. See the next issue of The Winnetka Talk for a report of the big Royal Arcanum meeting held in the Masonic Temple, Chicago, last Wednesday.

Coal Dealer Is Reported Recovering From Illness

C. F. Edinger, of the Edinger Coal company, 1301 Lake avenue, Wilmette, and a resident of Winnetka, was brought home from a Cleveland hospital Thursday of this week. Mr. Edinger was reported much improved following a stroke of paralysis several days ago.

Mr. Edinger fell ill while in Cleveland and was placed in a hospital in that city. Relatives here stated that he would recover.

This Unprecedented Favor for Type 61 Is an Appreciation of Quality

It is now generally known that Cadillac's previous sales records have been exceeded by a margin so wide as to establish completely Type 61 leadership.

This volume of preference, as a natural and spontaneous recognition of Cadillac quality, is an endorsement and appreciation of the quality standards adhered to for more than twenty years which inspires even deeper and stronger allegiance to those standards.

You who contemplate purchasing Type 61 may know positively that it is the product of supreme manufacturing standards and that it is unquestionably the finest Cadillac ever built.
