SKETCH OF TYPICAL SURE HEAT INSTALLATION

618 LIBRARY PLACE - Evanston

SURE-HEAT is not a Substitute--It is far Superior to Coal

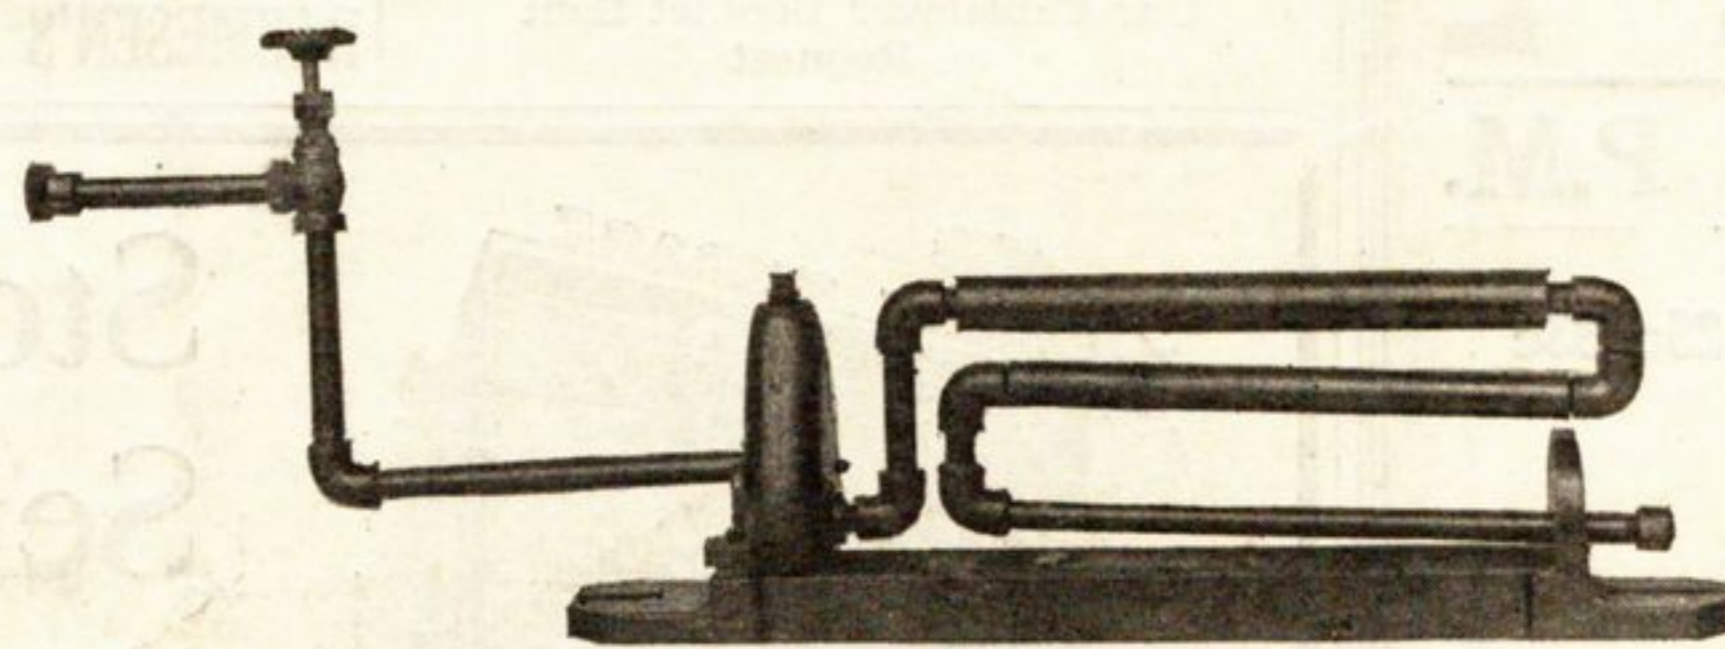

There is plenty of Oil --- It is low in price --- Regular Deliveries are Assured

Sure-Heat

Will pay for its installation in less than one season in saving on fuel cost, janitor and ash removal.

NO NOISE  NO ODOR
IN BLUE WHITE FLAME OF THE
BURNER

Because It Gasifies the Oil
Carburetes Correctly
and Forms Perfect Combustion

"SURE-HEAT" BURNER UNIT

Sure-Heat

Is safe, clean, healthy and convenient, it will keep your home comfortable in coldest weather--It will make your basement attractive

SURE-HEAT, INC.

Illinois Coal Administrator Robert

Medill says:--Even if the miners reopen shortly, it is going to be a hard winter, with not enough coal to go around, and with another miners' strike probable next year.
