

FRIENDSHIP CIRCLE RESUMES ACTIVITY

Working Girls' Club Anticipates Record Season

"Friendship Circle" club for girls begins its year's meetings next Tuesday evening in Community House at 8:30 o'clock. This club was started a number of years ago as a friendly social club for any girl working in Winnetka homes who wanted to have happy social times, and wished to get acquainted with others. That it is fulfilling its purpose is shown by the constantly increasing enrollment of members, and by the happy spirit of the club and the things it accomplishes. Part of the evening is given over to gymnastic work, under competent instructors, for those who wish it, and the rest of the evening is devoted to club activities and entertainment. The only fee for this is a two dollar membership in Community House.

Mrs. Ralph Snyder, who has been the leader of this group for the past two years, and under whose friendly and competent touch the club has grown to a large enrollment (over seventy), is not able to give her full time this year, but will assist Mrs. Charles Kreger in the work. Mrs. Kreger brings to this group a sympathetic understanding of girls and an experience in leadership which promises well for the continued growth and usefulness of this group. There are enthusiastic and interesting plans ahead for the winter.

Girls who are strangers in Winnetka are especially asked to attend this first meeting. Come and get acquainted and find out what good times "Friendship Circle" can offer.

QUARANTINE VIOLATOR ENDANGERS CHILDREN

E. A. Brion, 755 Greenwood avenue, Glencoe, received a fine in Justice Northrop's Winnetka court Monday of this week following his arrest at the instance of Health Commissioner C. O. Schneider, on the charge of violating quarantine.

Brion, according to Commissioner Schneider, failed to observe quarantine regulations when his wife and two children were afflicted with scarlet fever. His carelessness in permitting his children to attend school sessions, was said to have been responsible for the spread of the disease among other children in the village.

The discovery that one of the Brion children was attending school while afflicted with scarlet fever caused a near panic among parents of school children in the village.

In addition to the cases in the Brion family where Mrs. Brion and her sons, Edward, 5 years old, and Benjamin, 8 years old, were infected, four other cases developed among Glencoe school children, directly traceable to the Brion family, Commissioner Schneider declared.

Others suffering with the ailment are Harriet Postle, 8 years old, Douglas and French Postle, both 6 years of age, of 853 Vernon avenue, and Josephine McAllister, 6 years old, 951 Forest avenue.

October Days Are Strenuous Days on Boys' Shoes

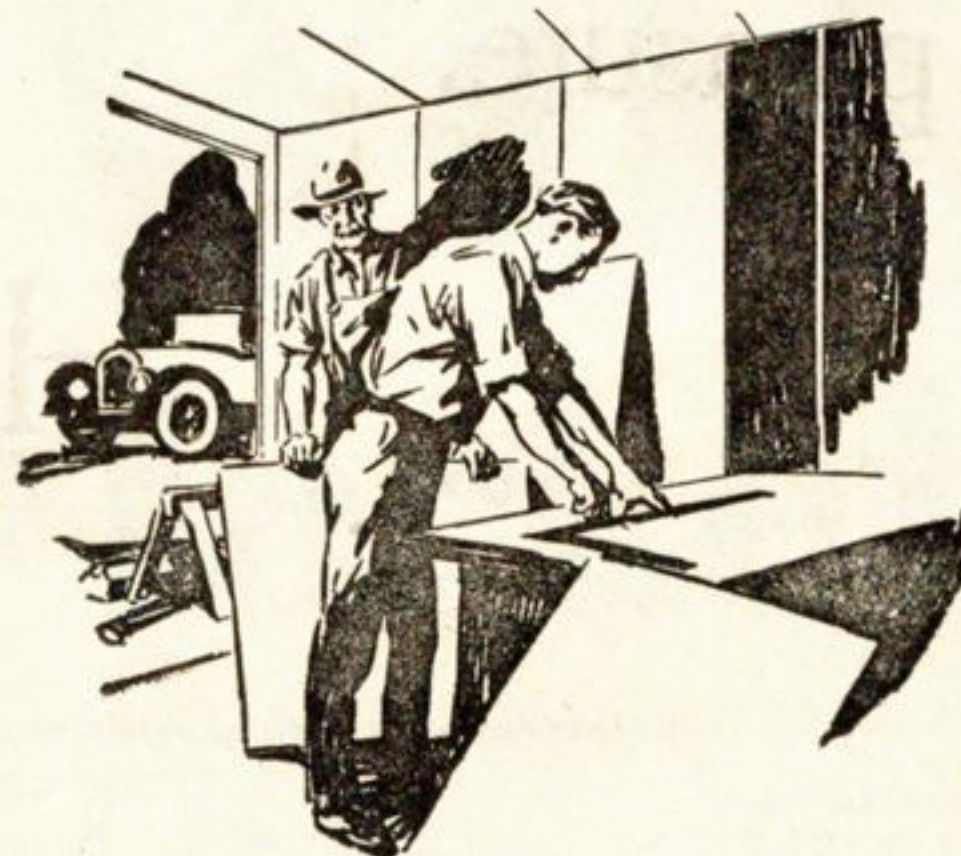

It's the season of the year when every boy is "up and doing"—on his toes almost every minute outside of his school hours—and naturally he must have shoes to withstand his robust activity.

Here—at this store—your boy will get the kind of shoes he likes, for durability, style and workmanship.

Handy to have around

WHEN you realize how many useful tasks can be done with it, you'll see the advantage of keeping on hand—all the time—a supply of

Cornell
Wood-Board

For repairing broken walls and ceilings; for finishing off the attic or basement; for new shelves, bins, and partitions—we know Cornell is the ideal material for these and many other purposes.

You'll know it, too, when you understand what Cornell-Wood-Board is. It's clean, tough wood fibre—nothing else; saws easily; holds nails solidly. It's triple-sized to resist moisture, heat, and cold; mill-primed, ready for paint; or you'll like the popular oatmeal-finish without paint. Cornell is made to look well and serve well.

"165 Uses for Cornell-Wood-Board" is a booklet telling how you can make many useful things for the home. You can have it for the asking. Phone, write or call for it.
