Winnetka Youth Recovers From Serious Gun Wounds

Lionel Anderson, son of Mr. and Mrs. Charles E. Anderson of 178 Myrtle street, must forego his studies at Northwestern university for several months as the result of an accident which has placed him in the Henrotin hospital.

Anderson, who was a member of last June's graduating class at New Trier by the sobriquet of "Peanuts," shot while hunting in the Northwoods several weeks ago.

The character of the injury has necessitated three operations and, while the young man is reported improving, it will be several months before he can resume his studies, it is said. He was to have entered Northwestern university this fall.

Lionel, who is best known at New Trier by the sobriquet of "Peanuts," was captain of the Soccer and Basketball teams at the high school last year.

Save time and money on your repair jobs

If you have a wall to repair; if you want to make a pleasant room in your attic; if you need new partitions or bins; or your wife needs a clothes hamper or a sewing table—you'll be surprised how quickly, easily and economically you can do these jobs if you use

Cornell-Board is all wood—an important fact to remember. It is tough wood fibre, triple-sized to resist moisture, heat and cold; and it's mill-primed, ready for paint, or the attractive oatmeal-finish looks right just as it is. We recommend Cornell because we know it's made to give satisfaction.

"165 Uses for Cornell-Wood-Board" is a booklet telling how you can make many useful things for the home. You can have it for the asking. Phone, write or call for it.
