

COMMUNITY HOUSE CALENDAR

FOR WEEK ENDING OCT. 16, 1922

The classes in English for Foreign Men and Women began work last Tuesday evening under the direction of Mr. and Mrs. William B. Moulton and Mrs. John Fletcher and assistants. The eagerness and enthusiasm of those taking the work, and the large number attending, show how great a need is being filled in the community by these classes. These trained leaders are voluntarily offering this splendid service in the community. Community House is anxious to have this work as well known as possible among the foreign population that all desiring such instruction may be reached. Will you who read this, help by spreading this information among those who need to know about it?

Two dinners are scheduled in Community House for the week—The New Trier Commercial Dinner on Monday evening, and the Men's Club dinner in the Gymnasium on Thursday evening. This is the first dinner of the season for the Men's Club and a large attendance is expected. Any man in Winnetka is eligible to join this group.

A Tip On Your Ignition System

Don't wait till your ignition system is all shot before taking steps to have it repaired. Continued neglect necessitates expensive replacements where only a little repairing would have been required if looked after in time.

Let us look over your ignition and electrical system every few weeks, we will save you money and inconvenience by doing so.
