

Subdivide Maifald Farm for Fine Home Sites

A farm sale of considerable interest was made this week when the 120 acres known as Maifald farm, one and one-half miles from the Deerfield station, was transferred through the offices of R. M. Johnston and company and Gilbert D. Johnstone and Bro., the former representing the buyer and the latter the seller. The property is wooded and rolling and was originally under option to a golf course. It will now be subdivided into five, ten and twenty acre tracts and offered for sale to com-

muters. Two five acre tracts have already been reserved by an official of the John M. Hart company in the Old Colony Building, Chicago.

Telephone Your Mother On Her Birthday

A Long Distance call to your mother on her birthday may mean more to her than the most elaborate gift you could send. Mother loves to hear the cheery voices of her sons and daughters and to know that they are well and have not forgotten her.

To have you with her on her birthday would be your mother's greatest joy, but if circumstances and distance forbid a visit, then call her by telephone and let her hear your voice.
