

BONUS APPLICATION BLANKS COMING SOON

Winnetka Legion Stands Ready to Help

Within the next three weeks the applications for the state soldiers' bonus will be ready for distribution, it was announced this week at Winnetka Legion Post headquarters.

These applications will be in two forms.

Form 1, for all ex-service men and women, will be mailed to each legion post in the state.

Form 2, for families and heirs of deceased soldiers, are to be secured by communication with the Service Recognition Board at Springfield.

The Winnetka Post of the American Legion has arranged to serve as a bureau for ex-service men in aiding them with the proper filling out of their applications. Application blanks will be available at Legion headquarters in the Winnetka Woman's Club. Every effort will be made, also, to assist families and heirs of deceased ex-service men in the matter of securing and filling out their application blanks.

The Winnetka Post, meanwhile, is desirous of aligning every ex-service man in the village with the legion. It is the aim of the post, as emphasized by Commander Irving Odell, to have a 100 per cent membership in the Winnetka Legion. The local post is one of the strongest legion units in the state, in point of influence and the diversity of its activities, and has taken the lead in numerous movements that have won acclaim in national legion circles. The post is noted for its democratic spirit.
