

Vote "No" December 12th On The Proposed Constitution

If you do not wish to pay a State income tax in addition to the taxes you now pay--

If you do not want one man to have the power to arrest and prosecute citizens without indictment--

If you do not think it is fair for Cook County to have representation in the State Legislature far below its proportion in population--

If you do not want to give up your power of electing your local Justices of the Peace and Police Magistrates--

If you do not want to pay a greatly increased Personal Property tax--

**Vote "No" December 12th
on the Proposed Constitution**
