

Are you Prepared?

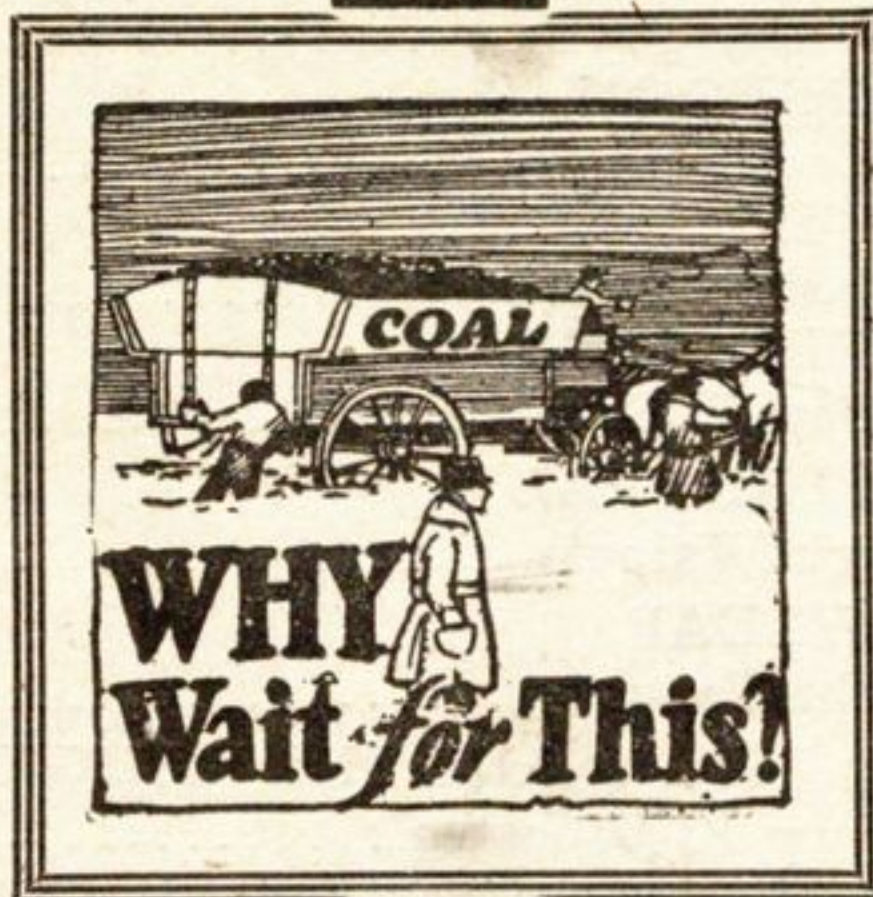

Do you realize that winter is here right this minute.

Order your coal today, tomorrow may be too late.

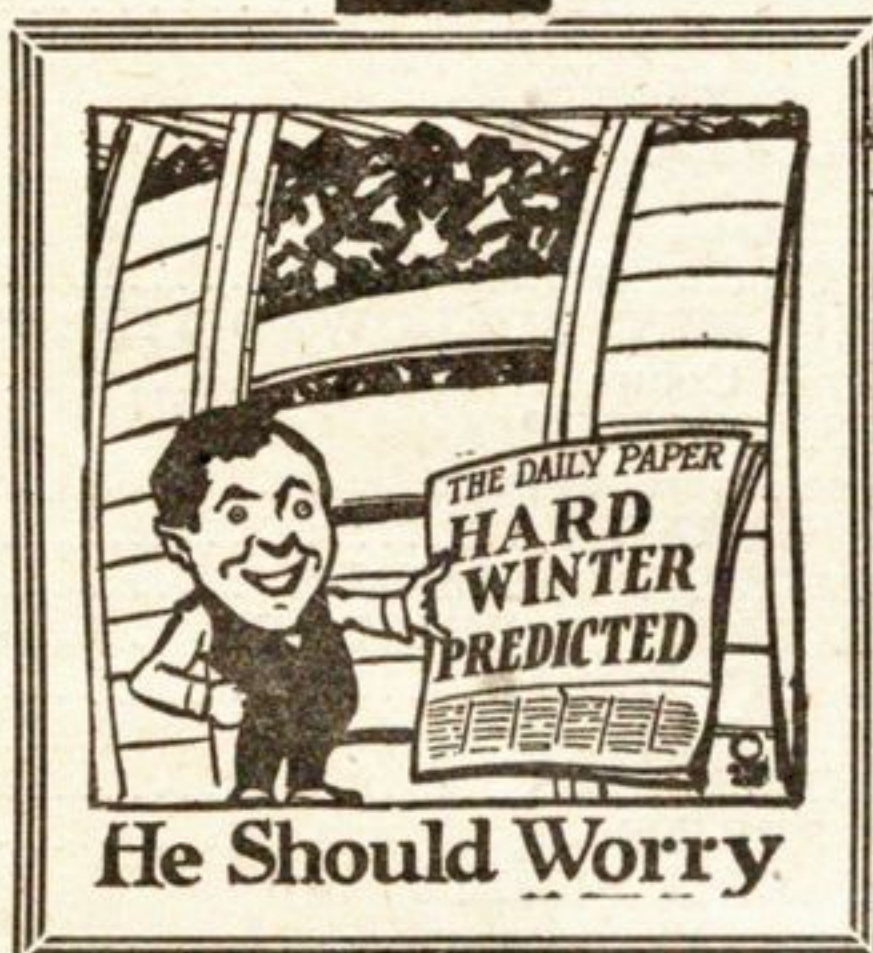

Don't Wait!

for the usual "last-minute scramble" for Coal--don't be caught napping!

Don't Wait!

until the ground is too deep with snow and the hurry-up calls for coal are coming in faster than we can handle.

The Happy Man

is the one who has a full coal-bin---He should worry!
