

## WOMEN WILL HONOR WOMAN LEGISLATOR

Plan a Great Ceremony at  
Springfield Jan. 3

Names are being sent in large numbers daily to the main office of the Illinois League of Women Voters, 151 North Michigan avenue, Chicago, so that the list of women who will accompany Mrs. Lottie O'Neill to Springfield promises to be a large one. Mrs. Lottie O'Neill, of the 41st senatorial district is the first woman representative in Illinois and her seating on January 3 is held as a matter for great rejoicing.

A special train will leave the Chicago and Alton station at 7 o'clock that morning, arriving in Springfield at 11 o'clock. There will be several hundred women marching with Mrs. O'Neill to the capitol. Mrs. O'Neill's friends from the 41st district will accompany her to her seat, while the others take their places in the gallery. Every woman will wear a large button, which will indicate her district and will in turn introduce Mrs. O'Neill to her senator and representatives respectively. In the afternoon the Chamber of Commerce of Springfield have invited the visiting women on an automobile tour through the city. At six o'clock the women give a banquet in honor of Mrs. O'Neill, at which there will be speeches by representatives and by various women's organizations represented, such as:

The Illinois Federation of Women's Clubs.  
The Parent-Teachers Association...  
The University Association of American Women.  
The Illinois Branch of Consumers' League.  
The Women's Christian Temperance Union.  
Various songs will be sung to popular tunes. Here are samples:

"Mrs. O'Neill here's to you,  
You are a good sport through  
and through.  
And we know what you will do,  
You bet we do."  
"The women are coming, Hurray,  
Hurray,  
The women are coming, Hurray,  
Hurray."  
With laws for the badies they  
brighten the way.  
Oh, ladies come join us and help  
us to stay."

"The women of your common-  
wealth, Hurray, Hurray,  
Are asking you to guard their  
health, Hurray, Hurray.  
Why should our future women  
pay,  
By working now a ten-hour day.  
We'll all be glad if you give 'em  
an eight hour day.  
We'll all be glad if you give 'em  
an eight hour day."

The Pathe News service will be on hand to take a movie of the entire proceedings.
