

## 'EAGER HEART' THRILLS LARGE AUDIENCES

"Packed houses," of children on Saturday and adults on Sunday witnessed the production of "Eager Heart" by the players of the Winnetka Community Drama club, last week end.

The play was the drama club's Christmas gift to the community. On Saturday afternoon it was given for the children and on Sunday evening the older people of the village were invited.

A Christmas play is given each year at this season by the Community players.

The time of the play is Christmas Eve, and the place is everywhere.

The cast, names of the players not divulged until the rise of the curtain, included Mrs. John Marshall, in the title role of Eager Heart; Mrs. John E. MacLeish, as Eager Same; Mrs. Ralph Snyder, as Eager Sense; Mr. Albert Scharf, Mr. Waldo Allen and Mr. Sherman Goble, the Three Shepherds; Mr. and Mrs. Eugene Rummel, the Poor and Nameless Family; Mr. Bryant, the Young Man; Mr. Stanley Simpson, Mr. Ralph Snyder and Mr. E. E. Brown, Three Kings.

Mrs. B. F. Langworthy gave the prologue; Mrs. Arthur Dean was in charge of the music provided by a quartet comprising Mr. and Mrs. Burton H. Atwood, Mrs. Asa Cooley and Mrs. Arthur Dean.

The orchestra was under the supervision of Mrs. P. B. Kohlsaas. Members of the orchestra were Miss Katherine Hamilton, Miss Estelle Swigart, Miss Olga Reinhold, Mr. George Swigart and Mr. Sherman Goble, Jr.

The play "Eager Heart" was given under the direction of Mrs. Merritt Lum and Mrs. Sherman Goble.

### Winnetka Woman's Club

There was a large attendance at the meeting of the Woman's club on December 14.

The Civics and Philanthropy Committee wish to call the attention of all club members to the sale of Anti-tuberculosis stamps. The proceeds from this township will be devoted to the Health Center at Grosse Point. The amount realized last year was \$400 and we should make it a matter of conscience that this sum may be equaled if not increased for this year.

The next meeting of the club will be December 28, at which time the sons and daughters of club members will be guests of the club. The program will start at three o'clock with a play, "A Christmas Fantasy," to be presented by a group of New Trier High School players. Following the play there will be dancing from 4 until 6 o'clock, with music by the Kippy orchestra.

Mrs. Gottlieb, chairman of the Education committee, introduced Dr. Rachele Yarros, whose subject for the afternoon was "Sex Education for Children." Dr. Yarros has recently returned from Europe where she has studied the methods used in England, France, Germany and other countries in the education of their youth in keeping their minds and bodies clean and healthy. America's three-fold program of Medical Education, Moral and Legal Training and Recreational Work has awakened an interest all over the world. Dr. Yarros said that our children must be taught to have higher standards and that women must fit themselves to build character. We mothers should study to understand our children instead of teaching them to understand us. Dr. Yarros illustrated her talk with screen pictures and the interest of the audience was shown by the volley of questions which she was called upon to answer.

The following women were hostesses at the tea tables: Mrs. Charles E. Burkhardt, Mrs. William G. Forrest, Mrs. George B. Ogan, and Mrs. Benjamin K. Smith.

### COMMUNITY HOUSE CALENDAR

WEEK OF DECEMBER 25, 1922.  
Most of the regular gymnasium and group work has been called off for this holiday week. Mr. Clarke and Mr. Gonser will meet with some of the groups of boys, however, for special gym work through the week as decided on by the groups.

The annual Camp-Reunion Dinner is scheduled for Tuesday evening, December 26 at six o'clock. This event is looked forward to from year to year, with much joy by the "campers" for it is at this time they renew the old camp associations in song and stunts, and enjoy as well a good dinner.

A play will be given by the English classes under the direction of Mrs. Russell Walcott, Thursday evening, December 28.

### Cantilevers Add to Your Vitality

Shoes that fit your foot comfortably and by flexing at the arch allow the foot to flex in walking as nature requires gives a constant stimulus to your ability. Contrariwise, shoes that distort the foot and rigidly prevent its natural flexing movement tend to drain your nervous energy and by frequent irritation lower your vitality and your ability to concentrate and work.

If you prefer buoyant strength and achievement, change to the comfortable achievement, change to the comfortable, helpful Cantilever Shoe.

It is well built on a last that conforms to the contours of the foot. With the natural inner sole line, the toes point straight ahead and are comfortable; a share of the weight of the body falls easily on the ball of the foot.

The well-set heel encourages good posture, which in turn encourages good health.

The shank of a Cantilever Shoe is drawn up, by lacing the shoe, to fit the instep and provide restful support. And it FLEXES WITH THE FOOT. It does not bind the muscles and impede circulation as a rigid sole does. It strengthens the muscles by allowing them freedom to exercise, thus preventing or correcting weak arches.

## "No Admittance To Advertising Men"

Many men not more than on the brink of middle age today remember when office buildings in many cities displayed the placard, "Beggars, Pedlers, and Advertising Men Keep Out."

But advertising has demonstrated its usefulness so overwhelmingly that such a sign today would be absurd.

Many other men well remember days in the past when a "printshop" was a clutter of machines and equipment. Printing then was largely produced on a rule-of-thumb basis, both in production and price.

Today the conscientious printer applies scientific standards both to manufacturing and the keeping of costs. Knowing how to operate his business, he knows, too, its operation to the customer's best advantage.

If you are not now a customer of ours, we can introduce you to many interesting benefits in connection with your printing requirements.
