

Announcing
CLEARANCE SALE

Starting Saturday Morning
 January 13th

A SALE that presents most exceptional values in seasonable footwear--oxfords, dress slippers and semi-dress models.

Prices have been lowered to far below their former values, affording substantial savings to purchasers.

All shoes for men and women (Cantilever excepted) buckles and Onyx hosiery reduced 10% to 25%.

There is an unusually wide and varied range of styles, and all sizes and widths are available, but not in every style.

We advise an early attendance, while the range of sizes is still complete.
