

**COMMUNITY HOUSE
CALENDAR**

WEEK OF JANUARY 15, 1923

The second of a series of instructions in First Aid to Camp Fire Girls will be given by Dr. Christopher on Thursday afternoon, January 18. The girls in Helothi group, of which Miss Ruth Matz is guardian, will take this work then. Last week the Tamakwa group, with Miss Ruth Pease, guardian, and the Witawentin group, with Miss Clara Harch, guardian, had this instruction. It is planned to have the different Camp Fire groups in turn attend these meetings, and all of the groups meet with Dr. Christopher on February 16.

Because of the annual dinner of the Congregational church which will be held in the Gymnasium on Thursday, the regular gym activities for that evening will be omitted, as will the usual dancing classes in the Assembly room on Thursday afternoon.

Troop No. 2 of the Boy Scouts meets with the Scoutmaster, Mr. Jack Anderson, each Tuesday evening in the Assembly room, and joins with Troop 1 in work in the Gymnasium on the second and fourth Thursdays in the month.

A group of older boys from the Country Day school is meeting each Thursday afternoon for basketball practice in the Gymnasium with Mr. Jack Anderson.

The morning Gymnasium class for women which meets on Tuesday and Thursday mornings with Mr. Harry Clarke as instructor is the largest gymnasium class ever enrolled in Community House, ninety women being registered.

**Winnetka Liquor Problem
Will Be Sermon Subject**

"Seeming as Good as You Are," will be the subject of the sermon by the Rev. James Austin Richards at the Winnetka Congregational church tomorrow morning. Among other things Mr. Richards wishes to discuss the liquor problems in Winnetka, believing the church people have some immediate and important duties in connection with it. Next Tuesday is the anniversary of the passage of the Eighteenth Amendment.

Invest at Home

"The field the farthest away always looks the greenest." This old quotation especially applies to investments. People are continually investing their money in questionable securities of companies that are practically unknown to them, when there are other purchases in their own home town which are very much better. Not only is the safety usually greater with local investments, but the opportunity for profit and return is often fully as good.
