

EXPECT 500 WOMEN AT VOTERS' SCHOOL

New Trier Women to Pre-
side at Voters' League Citi-
zenship School Sessions

MEET JANUARY 29-31

Discuss Problems of the
Ballot

Final plans for the program of the Northwestern University School of Citizenship have been practically completed, it was announced by the committee in charge. The school is to be held on the Northwestern campus January 29-31 in co-operation with the Illinois League of Women Voters.

Mrs. Florence Bennett Peterson, 687 Lincoln avenue, Winnetka, has not yet announced the subject of the lecture which she will deliver on the third day. Mrs. Peterson, Chairman of the Efficiency in Government committee of the Illinois League, is one of three women who will address the assembly. Mrs. William G. Hibbard, fourth Regional Director of the National organization, will preside on the second day, Tuesday.

Edwin Stanley Seder, Director of the Organ Department of Northwestern

University, will render an organ recital Monday afternoon.

Must Teach Women Voters

"The announcement that the first large citizenship school of the middle west is to be held on the north shore is turning into practical terms the avowed purpose of the League of Women Voters 'to increase the effectiveness of women's votes and further better government.' Women cannot claim any exemptions from the duty of honest, intelligent voting. But we must work and study hard, for we are new to the use of political machinery. This school, which is to be followed by others, will show that the highest educational authorities believe popular education of women voters popular of their best efforts," said Miss Julia C. Lathrop, president of the Illinois League, who is to preside on Monday and will discuss "The Enforcement of Child Labor Legislation" on the following day.

Expect Large Attendance

Although the registration is expected to reach the five hundred mark, plans have been made to accommodate as many as one thousand women, many of whom would be from downstate. Rooms in north shore homes will be assigned visitors in order of request and applications for tickets to the course may be had upon application to the state headquarters at 153 North Michigan avenue.

Miss Mary Ross Potter, Dean of Women at Northwestern, has been selected to conduct the tour of the campus and classrooms which is open to all women attending the school.
