

NORTH SHORE SWELLS KINDERGARTEN FUND

Leaders Endorse National
Kindergarten College Fund
Drive in This Vicinity

WILL RAISE \$575,000

School to Be Located on the
North Shore

With the coming of the New Year the north shore alumnae and friends of the National Kindergarten and Elementary College announce the opening of a campaign for the raising of a fund required to move the College from its present location on South Michigan Boulevard, Chicago, to the new site on Sheridan Road and Ridge avenue, at the boundary between Wilmette and Evanston. This change of location has been made necessary by the encroachment of the automobile business, and the site in Evanston-Wilmette was selected as the most desirable in the vicinity of Chicago.

The trustees plan to erect a large college and administration building including a demonstration school, and a dormitory which will accommodate 350 students, which will necessitate the raising of \$575,000, in addition to the assets on hand valued at \$189,000.

Mrs. MacLeish, Fund Chairman
Mrs. Andrew MacLeish is chairman of the group of north shore residents who are enthusiastically entering into the work of raising their share of this fund. As active partners in the "Business of Childhood," they are endeavoring to enlist the interest of silent partners who, through the investment of funds may enlarge and make permanent the work of training teachers and mothers of little children, which the National Kindergarten and Elementary College has been quietly carrying on for thirty-six years.

The campaign is backed by the highest educational approval and is endorsed by business men, philanthropic organizations and individuals, social service workers and people of wealth.

The trustees of the college are: Mrs. Philip D. Armour III, Edna Dean Baker, President of the College, Fred A. Cuscaden, vice president of the Northern Trust Company, Alexander Friend, William W. Gurley, Dr. Elmer E. Jones, Director of the School of Education of Northwestern university, Mrs. Henry Phipps of New York, and Rev. William O. Waters, Rector of Grace Episcopal Church, Chicago.

North shore sponsors of the removal plans of the college include: Mrs. M. E. Corley, Mrs. B. F. Langworthy, Mrs. Andrew MacLeish, Mrs. A. Starr Best, Mrs. E. J. Buffington, Mrs. Daniel H. Burnham, Brig. Gen. Charles G. Dawes, Mrs. W. D. Allen, Mrs. Robert B. Ennis, George H. Tomlinson, Ernest A. Smith, Mrs. R. W. Weeks, Mrs. James A. Patten, Walter Dill Scott, Mr. and Mrs. Merritt Starr, Rev. George Craig Stewart, Rev. Ernest Fremont Tittle, Mrs. James G. Houghteling, Mr. and Mrs. Douglas Smith, and Mr. and Mrs. Willoughby Walling.

Evanston-New Trier Tank Stars to Clash Wednesday

Evanston and New Trier High schools, ancient rivals in the field of athletics, will clash in their first swimming meet of the season Wednesday afternoon, January 10, in the New Trier tank. The meet is scheduled to begin at 4 o'clock.

Suburban league swimming coaches foresee a renewal of last year's feud between the two north shore schools. Evanston holds the championship by virtue of a lone point win over the New Trier boys last season.

New Trier recently took second place in the interscholastic swimming meet at the Illinois Athletic club, bowing to Hyde Park in that annual classic.

Men About Ku Klux Klan

One of the judges of the Chicago Circuit courts will deliver an address before the Ouilmette council, Knights of Columbus, at a meeting to be held in Jones Lodge hall Tuesday evening, January 9. While the name of the speaker was not known by the council at this writing, the members have the assurance that he would be a prominent Circuit court jurist. The Ku Klux Klan is to be the subject of discussion, it was announced.

Arrangements are being made by council officers for a Card and Bunco party to be held shortly before the Lenten season.
