

PUBLIC SCHOOL CAGE TEAMS TAKE 2 GAMES

Skokie school basketball teams again upheld the honor of their school when they defeated the Country Day school fives in two fast games last week.

In the first of the series the Skokie Sioux beat the North Shore Pirates to the tune of 38 to 13. In the second tilt the Skokie Senecas were returned victors over the North Shore Sharks 18 to 9.

The two victories give undisputed lead to the two Skokie teams in the North Shore-Skokie Heavyweight league. Both the Sioux and the Sharks have averages of 1000 per cent. Neither of the North Shore teams have won games from Skokie.

In the Skokie girls intramural basketball league the Flashes beat the Panthers 18 to 17, the Squaws defeated the Swifts 22 to 14, and the Redwings downed the Swifts 25 to 19.

The Redwings, Flashes and Squaws have averages of 1000 per cent and are tied for first honors. The Savages, Panthers and Swifts have zero averages.

According to H. P. Clark, coach of the teams, more games are scheduled for the coming week.

Local Church Leads in Gifts for Outside Work

Christ church parish of Winnetka again leads the Chicago Diocese of the Episcopal church in the program for all church work to which the church is committed outside Winnetka.

This year the church gave \$18,000 for this work, thus winning, for the third consecutive year, the first place in the diocese for gifts for mission and other church work outside the parish.

At Either End of the Hill

On hills that try the heart of an automobile the 1923 Gardner is at its best, for grades before which many cars will hesitate, serve only to bring out its reserve power and strength.

On an uphill run the five-bearing Gardner motor leaps easily from a start to highest speed; it develops its greatest power where the power is needed; it runs under the added load as smoothly and quietly as on a level straightaway.

Or take the downgrade. Here the rugged chassis and improved braking system spell absolute safety and control.

Such tests prove the balanced value that extends throughout the 1923 Gardner. Choose a hill for a demonstration. The story of the guaranteed car is best told on the road.
