

PLAN MANY LENT SEASON SERVICES

Congregational Church to Have Three Series of Special Lenten Services

STUDY CHRIST'S LIFE

Services on Sundays and Tuesdays

Unusual Lenten services in the Winnetka Congregational church will comprise three series—one to be held on Sunday evenings at 8 o'clock in the church auditorium, one on Tuesday evenings at the same hour in the Assembly room of Community House, and the third on Tuesday mornings at 10:15 in the Neighborhood room.

These meetings are open to all, residents and it is the desire of the church that all who can, attend continuously, but the subjects will be so treated that anyone may drop in at any time and find helpful interest.

Sunday Evenings

Worship and addresses on the Life of our Lord by Mr. Richards.

"Through every great life there runs one thread that links part to part and holds the meaning of it all," reads an announcement. "These Lenten Sunday evening addresses will humbly seek that thread in the life of Jesus. Step by step we shall find His life different from ours, yet lying so close to ours that it gives the light and guidance we most need."

Tuesday Mornings

Hour lecture and Discussion class on "Christian Fundamentals." Prof. Bosworth's volume, "What It Means To Be a Christian," will be used as a textbook. It may be obtained from Mrs. Crazier in the church office in advance or at the first meeting. The Question Box will also be a feature. Feb. 27—**The Personal Discovery of God:**—How He touches every one of us. His search for us and ours for Him.

March 6—**Suffering and Prayer:**—Can we reconcile suffering and God's goodness? Can we reconcile prayer with the bigness of the world? Is prayer reasonable? Its ideal form.

March 13—**Jesus and His Work:**—How to study Him. His cross and Our Need. His victory.

March 20—**The Issues of Life:**—Sin—Salvation. The ways they work. Whither do they lead?

March 27—**The Life Beyond:**—Its naturalness. A way to picture it. Its meaning now.

March 4—His Baptism.

March 11—His Temptation.

March 18—His retirement.

March 25—His crucifixion.

April 1—His resurrection.

TUESDAY EVENINGS

February 20—Rev. Ernest Bourner Allen of Oak Park, PRAYER—"OPTION OR IMPERATIVE?"

February 27—Rev. William Weston Patton of Rogers Park, "THE FELLOWSHIP OF FAITH AND FRUITION." Note—This one meeting will be in the Church Annex and at 7:45.

Mother of Charles A. Kinney Dies at Green Bay, Wis.

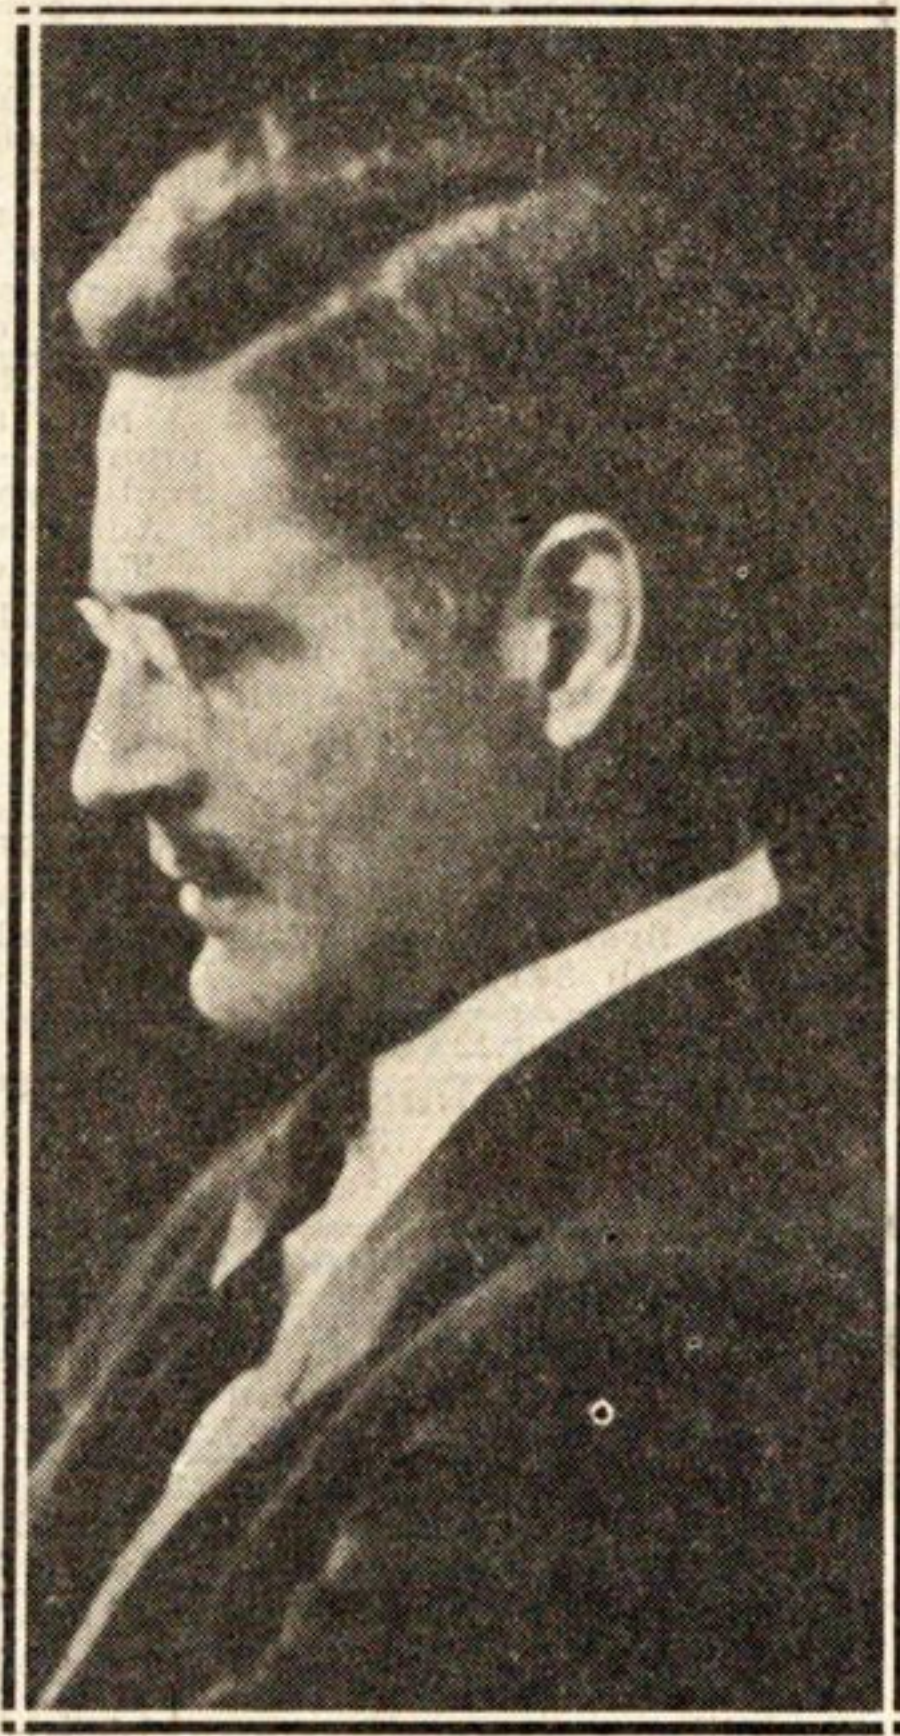

Mrs. Estelle Morse Kinney, of 968 Fig street, passed away Monday, February 12, at the home of her daughter, Mrs. William L. Kerr, of Green Bay, Wisconsin. Mrs. Kinney was the widow of Sylvester Kinney, of Houghton, Michigan, one of the pioneers in the development of the lumbering industry of northern Michigan. Three daughters and six sons survive her, two of the latter, Avery W. and Charles A. being residents of Winnetka.

Mrs. Kinney moved to Winnetka about a year ago, coming from Austin where she was prominently identified with a number of Chicago and Oak Park women's organizations. She was a member of the Keystone club, the Chicago Culture club, the Chicago Art institute and the West-side Co-educational club, serving as president of the latter organization from 1918 to 1920. Much of her time during the past two years she has spent in travel, with the intention of again resuming active participation in club work.

Services for members of the family were held Wednesday afternoon in Grace-land chapel where the remains were cremated. Interment was in Rosehill Mausoleum.

Donald R. Dickey Appears In Lecture At Community House

WANT SUBWAY AT CROSSING

Indian Hill Residents To Make Request

The regular meeting of the Indian Hill Improvement association was held at the New Trier High school Tuesday, February 13, with a record attendance.

A report was made on the results of the recent minstrel which proved to be highly successful both from an entertainment and financial standpoint. President Kane expressed his sincere thanks on behalf of the executive committee for the co-operation on the part of all those who gave up their time to make this entertainment a success.

Work On Park Soon

The Park Committee reported that work would soon start on the landscape work for the new park at the Indian Hill Station.

Steps were taken to provide ornamental drinking fountains at this park and also at the Elder Lane beach where no facilities of this kind are now provided.

The association voted to take up with the Village council and other necessary bodies the proposition of a subway at Winnetka avenue in order to eliminate this rather dangerous crossing. This, it is felt, will probably work in nicely with the track depression scheme further north which it is probable will be started in the near future.

Several other minor matter were discussed and afterwards there was dancing and refreshments.

Red Cloth and Mr. Bull Don't Mix, Says Actor

As Rhubarb Vaseline, a matador, in "Mud and Sand," at the Community House, Friday, February 23, Stan Laurel naturally was required to wage near-mortal battle with what was advertised to him as being an unusually docile bull.

"That was the biggest mistake I ever made in my life," declared Mr. Laurel with real feeling. "Of course, the bull was supposed to be tied hard and fast by the leg to a big stake. The rope did not come within range of the camera.

"But the scene had no sooner started than the fun began and the only fortunate part of the affair was that the scene was made in a sort of a corral. If it hadn't been arranged that way there might have been no more Stan Laurel comedies.

"I wasn't really rude to that bull. I just waved the red cape before him gently, because I had a hunch it wouldn't pay to excite him too much. But he got just one glimpse of that red cloth out of the corner of his eye and he put down his head and started toward me. I don't think it took me more than two steps to reach the fence twenty yards away and I just flew over.

"MY NEXT BULL must know geography. He's got to be sure he's in Hollywood and not in Seville.

Police To Check On Lax Vehicle License Payers

Winnetka residents must have their 1923 auto licenses or be prepared to pay the penalty prescribed by the law. Notification from the secretary of state's office at Springfield has come to Chief Peterson directing him to bring in and report violators of the state vehicle act. February 15 was the find date.

PRESENT EUROPE TALK SUBJECT

Prof. George Scherger To Give Final Lecture of Sinai Congregation Series

STUDENT OF EUROPE

Mrs. Hale Lauds the American Girl

Prof. George Scherger, head of the department of History at Armour Institute, will lecture at the Winnetka Woman's club Tuesday evening, February 20, on the subject, "Our Country and the Changing World—America and the Nations." This lecture, represents the last of a series given under auspices of the North Shore Branch Sinai Congregation.

Prof. Scherger spent the past summer studying conditions in Europe. As a scholar he is familiar with European methods of diplomacy and diplomats. Thoroughly versed as he is in the history and culture of Europe and world civilization, he can understand and interpret faithfully the influences and thought currents that dominate post-war Europe. Prof. Scherger has a delightful personality and is a versatile and fluent lecturer who has a vital message at this time when the world is in a fluid state of change, and when our civilization, as part of the world civilization, faces a grave crisis.

Comments A Modern Girl

Mrs. Forbes-Robertson Hale spoke Wednesday of this week on the subject, "The Modern Girl."

"The young American girl," she said, "has a fine, free spirit, whose faults are due largely to lack of home life and spiritual training."

Mrs. Hale, though thoroughly English herself, married an American and has, as she says, three "American daughters."

Her criticisms were fair, sane and above all, constructive. She gave her audience something tangible, some practical and vitally helpful suggestions.
