

COMMUNITY HOUSE CALENDAR

WEEK OF FEB. 26

What promises to be an interesting week in Community House, opens Sunday evening with a mass meeting in the Gymnasium at 8 o'clock to mark the National Week of Song. All Winnetkans are invited to come and enjoy the music given by different singing groups, and to sing together the good old songs.

On Tuesday evening at 8:30 o'clock in the Gymnasium a remarkable nature film is to be shown of wild animals of the north in their native haunts. The photographer and naturalist, Donald Dickey, will show this film and will lecture. This is a rare opportunity to see the most wonderful film in existence of wild animals in their natural surroundings. Mr. Dickey is on his way from California to speak before the National Geographic Society in Washington, and this is the only stop he will make en route.

The Triangle Club Boys will give a dance in the Gymnasium on Wednesday evening, February 28th. The boys are working hard for this and good music and a fine time is assured for all. The Community Drama Club presents its monthly play in the Gymnasium on Thursday evening, March 1, at 8 o'clock.

On Thursday afternoon at 4 o'clock in the Gymnasium, Country Day School school boys will play Lake Forest Academy in basketball.

Mr. and Mrs. P. W. Bradstreet, who have been living at the North Shore hotel, Evanston, for several months, are now visiting at the home of Mr. and Mrs. J. E. Bradstreet, 334 Ridge avenue. After March first they expect to occupy their home at 475 Cedar street.

NETHERCOT HOME SOLD

George Nethercot has sold his home at 518 Cherry street to William E. Lloyd of Chicago. The Lloyd family will occupy the residence on May 1.

Roast of Beef Brings Thrilling Fire "Run"

When Mrs. Harland Fankboner, 848 Foxdale avenue, went to Chicago last Friday, she left a piece of meat cooking on the stove. Her trip, however, was so distracting that all thought of the meat on the stove at home left her. And thereby hangs the tale.

Smoke was issuing from the kitchen door when Mrs. Fankboner came back from the city. Where there's smoke there's fire, she thought, so she called the Winnetka fire department.

Winding up the big red truck till the engine began to roar, Chief Houren and his men made ready to fight the dreaded fire. They tore through Winnetka's streets to 848 Foxdale. Entering the house cautiously the chief led the way to the smoke-filled kitchen. As the firemen neared the stove an aroma of roasting meat assailed their nostrils. They looked at the stove. Eureka! The fire was found. The meat was burning. No casualties.

Educator Urges Winnetka Help Elementary College

W. W. Beatty, acting superintendent of Winnetka schools, spoke briefly before the Winnetka Woman's club, Thursday, February 22, urging everyone to join with the organization called the Winnetka Builders of the National Kindergarten School and Elementary college in order to hasten the coming of this college to the north shore.

"The splendid help this college has given in our schools for many years in the Kindergarten and elementary grades will be made even more effective by the closer proximity of the college," he said. "The realization of these building plans depends upon the friendliness and financial co-operation of the north shore towns."

Each Tuesday at 4 o'clock the Winnetka Builders meet at the Community House and Mr. Beatty urged all who wish to help erect these college buildings to get in touch with this organization.

AT WINNETKA OFFICES

Warren Hough, who has been associated with the McGuire and Orr real estate offices in Wilmette, is now affiliated with the Winnetka offices of the same firm.

Von Hofsten Paintings to Be on Exhibition Abroad

Hugo Von Hofsten, of Winnetka, is one of the artists of Chicago and vicinity who will be represented at a special exhibition of paintings this summer, at Gothenburg, Sweden, to be opened May 8. Four of Mr. Von Hofsten's paintings will be seen in the foreign exhibit.

Mr. Von Hofsten's paintings are included in a selection of pictures now on display at the eleventh exhibition in the art galleries of the Swedish-American Art club in Chicago.

From this collection will be made a special selection for the Gothenburg exhibition arranged at the special invitation of the Swedish government.

"While there is no lover of the dune country to be heard from in the Swedish-American art exhibition," reads a critic's account, "Hugo Von Hofsten has made himself again the speaker for the beauties of the forest preserves and especially the Skokie. His "Sunset on the Skokie," is beautiful and "In the Forest Preserve," runs a close second."

A group of friends gave a surprise birthday party for Mr. Fred Schwall, at his home 797 Cherry street, on Thursday evening of this week.
