

### SKOKIE SENECAS PICKED TO LEAD SCHOOL LEAGUE

With only one more set of games to play the Skokie Senecas seem to be headed for the championship of the Skokie-North Shore heavyweight basketball league. Their superiority was practically conceded last Tuesday when they defeated the North Shore Pirates 28 to 21. At the same time the North Shore Sharks beat the Skokie Sioux to the tune of 21 to 19.

At present the standing in the league is as follows:

	won	lost	Percent
Senecas	5	0	100
Sioux	2	3	400
Pirates	2	3	400
Sharks	1	4	200

A tie in the finals of the girls' league will necessitate the playing of deciding series of games between the Redwings and the Flashes. Both teams have an average of 800 percent. Behind the leaders rank the Swifts, 600 percent; Squaws, 500 percent; Savages, 200 percent; and the Panthers, 000.

In the first games of the new tournament, which has been started in the lightweight division by coach Clark, the Skokie Sagamores nosed out the Skokies Swallows by four points in a 20 to 16 contest.

School emblems, bearing the letters of the school, will be awarded members of teams which were successful in their leagues. The presentation exercises will be held next Monday afternoon. Arrangements for the affair are in the hands of the Student Council.

### Woman's Club

A regular meeting of the Winnetka Woman's club was held Thursday, February 22, in the clubhouse, with the president, Mrs. Willoughby Walling, presiding. It was an open meeting, the husbands of the members being specially invited to attend. Mrs. Walling announced for the League of Women Voters, that they would hold a meeting Saturday, March 3, at 3:30 o'clock, at the Winnetka Woman's club, at which Mrs. Lottie Holman O'Neill will speak.

Then Mr. Beatty talked for five minutes on the National Kindergarten College project in North Evanston. The directors have purchased a tract of land in Evanston, near the Wilmette line, and plan to build two large buildings. They think that the training for teachers will be better than it is now, largely through the affiliation with Northwestern university, which will increase the opportunities which the teachers and pupils will have. Financial aid, as well as other help, must come from all the village if the project is to be a certainty.

Offices have been opened in all the north shore towns. At the Winnetka office in Community House, there are workers present every Tuesday afternoon who will be glad to give any desired information.

The meeting was then turned over to Mrs. Roland Whitman chairman of the Music committee. Mrs. Whitman said that as this was Music Week, it was fitting that the club have a musical program. She thanked Mrs. Cotton and Mrs. Kohlsaas for giving their time to conduct the music and the boys and girls for giving up their holiday to sing and play.

The program was rendered by the Children's Chorus of the Skokie school, Mrs. P. B. Kohlsaas directing. The New Trier High School Symphony orchestra, Mrs. Cotton, conductor, Mr. Rollin Pease, baritone, and Miss Frances Anderson and Miss Maurine Clapp, accompanists.

The New Trier orchestra, under Mrs. Cotton, has made great strides during the past year. It has made two innovations this winter, first, in playing without the use of the piano, which could be trusted to hide mistakes made by the other instruments, and second, in the playing of symphonies. The orchestra played with good attack, and a great deal of musical feeling.

The overture, "Lustpiel" by Keler Bela, and the "Barcarolle" by Offenbach, were perhaps most enjoyed by the large audience.

The Children's Chorus, directed by Mrs. Kohlsaas, is composed of pupils from the eighth grade and few from the seventh grade of Skokie School. The Chorus, and the Boys' and Girls' Glee clubs are not made up of selected voices, but those pupils who wish to do this work. Without being hampered by the use of music, they were able to give all their attention to the director, which made for a general ensemble. They sang with a lovely tone. "The Sun Worshipper," a Zuni Indian Melody which was sung on the stage, with an echo sung at the back of the hall, was very attractive.

Mr. Rollin Pease, the soloist, sang a number of songs in a pleasing manner. The members of the club who were hostesses for the afternoon were Mrs. Spencer S. Beman, Mrs. William O. Coleman, Mrs. Frest Lowrey and Mrs. Theodore G. Rockwell.
