

## CATCH UP ON YOUR LAUGHS WITH MAX!

Some philosopher—and it doesn't make any difference whether he was an ancient or modern one—once said something to the effect that "The most wasted of all days is that on which one has not laughed." If there is any person in this village who has been having some of these waster days the chance is coming next Friday, March 23, for him to more than make up for lost time. Why? Because the management of the Community House, Winnetka, announces that Max Linder's great five reel comedy feature, "The Three Must-Get-Theres," has been booked as the feature attraction for that date.

### Laborer Crushed To Death Under Loaded 5-ton Truck

James Weston, colored teamster for the B. W. Blow Excavating company, was crushed to death last Tuesday when he was run over by a heavy motor truck filled with a five-ton load of crushed stone. The accident occurred at the team track of the Chicago & North-Western railroad, between Pine and Eldorado streets.

The truck under which Weston met his death was driven by William Martin, 844 Pine street. The machine was standing by the side of a car of crushed stone and was headed south. In some manner, unknown to the police, Weston got in the path of the loaded truck's rear wheels as Martin started to back his machine. Weston was rushed to the St. Francis hospital but death was inevitable.

Weston was 33 years old. He lived at 1107 Emerson street, Evanston.
