

GIVE PRIZES IN KIDDIE KONCERT

Children To Compete In Poster Contest

A first prize of \$15 and a second prize of \$10 are offered by Paul T. Gilbert of the Chicago Evening Post for the best posters designed by boys or girls of any of the north shore schools announcing the "Kiddie Koncert" to be given at the Skokie school Saturday morning, April 14, by Ilse Forster, interpreter of children's songs. Full information will be supplied by Mr. Gilbert on writing to him at 12 South Market street, Chicago. The posters will be judged by a committee to be appointed by the school authorities, and will be placed on exhibition before the concert.

Miss Forster comes to sing about gingerbread boys, big brown bears, Japanese dollies, and other subjects dear to the child heart—and to the hearts of the grown-ups, as well.

She will sing a group of Chinese folk songs in a costume once worn by an empress of old China. In other groups she will appear as Daffy-Down Dilly and Bo-Peep, and those who have heard her say that she is like a delightful Mother-Goose character stepping from the pages of a book to sing the songs the children love.

An evening program will be given by Cyrena Van Gordon, prima donna of the Chicago Opera company; Miss Forster in costume numbers; and Harold Ayres, violinist. This will be the only opportunity of hearing Miss Van Gordon until the next opera season in November, when she will again sing Brunhilde in "The Valkyire," Amneris in "Aida," and the Spring Fay in "The Snow Maiden."

N. T. NATIONAL MEET

Senior and Junior swimming squads at New Trier High School are entered in the Northwestern university National Interscholastic meet to be held at Patten gym, Evanston, March 23 and 24. Both of New Trier's teams remain unbeaten after sixteen contests during the current season.

ATLAS OIL BURNER

Prudent regard for next autumn's heating needs suggests the advisability of investigating the proven merits of the "Old Reliable" Atlas Oil Burner now.

Representative citizens of all North Shore suburbs are users of the Atlas and will gladly bear testimony to its satisfactory use.

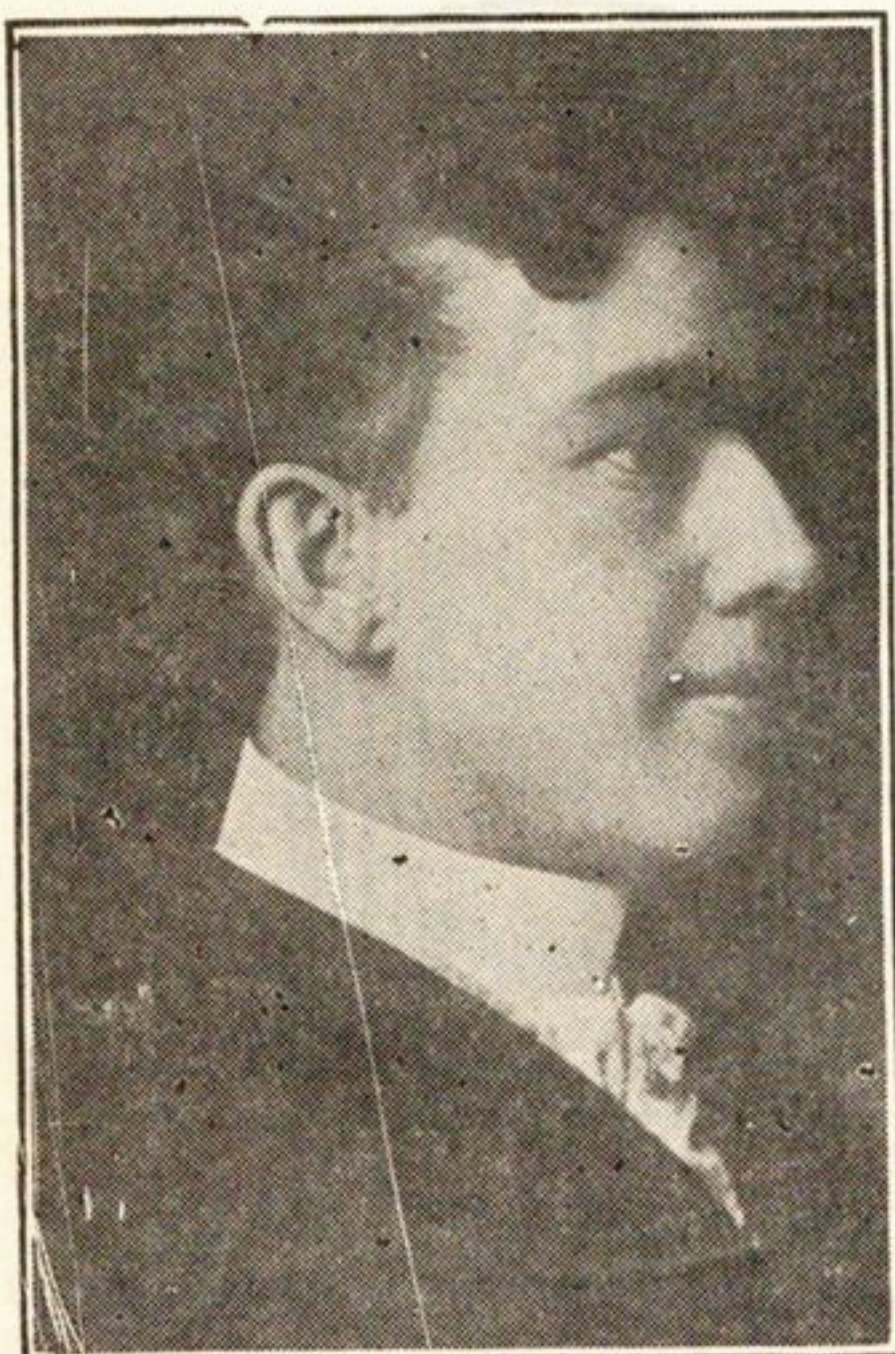

"The Atlas is a Real Heating Convenience." Gravity feed—no motor, no blower, no noise, no dust, no ashes, no odor.

Substitute the convenience of the Atlas for the drudgery and inconvenience of former methods and add largely to the comforts of home life.

A telephone call will bring our representative, either by day or evening, who will cheerfully give details without obligation on your part.
