POPPY SALE TO HELP DISABLED

Ask Citizens to Wear Flower May 29-30

North Shore posts of the American Legion, Department of Illinois, are co-operating with their National and State headquarters in the sale of poppies, and it is hoped that every man, woman and child will wear a poppy on May 29 and 30, in remembrance of the thousands who have "Gone West" as the result of the World war.

All money derived from the sale will be devoted exclusively to Service work. The Service department of the American Legion is continually called upon to make expenditures along this line which tax its resources, and as their only means of raising the money to carry on this work is from this source, they are making every effort to assure a large sale this year.

Funds For Service Work

The Service department of the American Legion in this state alone has been responsible for collecting over two and one-half millions of dollars in claims for ex-service men. They have placed more than twenty thousand men in employment, besides interceding for many unfortunate ex-service men who have been in trouble in some way or other. They have taken care of families of hundreds of men while their claims against the government was being adjusted. Many of these families would have been County charges, as the physical condition of the men would not permit them to work. Fighting the just claims of all ex-service people, is the first work of the American Legion.

Legion's Official Flower

Because of a prejudice which exists in certain states and localities against the sale of poppies as the result of undignified and ill-advised selling campaigns conducted in the past by other organizations, it has been decided that all poppies sold under the auspices of the American Legion shall bear some distinctive mark. "The American Legion, Department of Illinois," will be stamped on all poppies sold by the organization in this state. This will guarantee to each purchaser that he is not being victimized by irresponsible agencies.

Church and The Citizen, Richards Sermon Subject

Sunday morning, April 8, at the Winnetka Congregational church, Rev. J. A. Richards will preach on "The Church and The Citizens."

It is hoped that the talk will be of help to those who are trying to do honest thinking about their personal relations to the church.

The music will include "The Festival Te Deum" in E Flat by Dudley Buck; "Still, Still With Thee" by Arthur Foote; "I Have Considered The Days Of Old" by James.

Annual Scout Night Is Scheduled for April 26

The Winnetka Boy Scouts will hold their annual Scout Night Thursday, April 26 in Community House gymnasium. There will be demonstrations of Scout activities of all kinds, and many interesting events are scheduled, to say nothing of a surprise or two.

This will be an opportunity for parents and the public, generally, to know at first hand more of the Scout movement. Further notice will be given later, but it is well to keep this date in mind.
