

Make It Your Habit!

Many North Shore people, having learned by experience our trustworthiness, are accustomed to get our advice regarding the Best Fuel for their heating plant, the Best Time to buy, the Best Methods of firing. This habit is profitable to both parties.

Lowest prices prevail this month

Careful inspection of houses under construction will reveal the exceptional quality of the lumber we are furnishing.

Many Trellis Fences and Pergolas are being constructed of our lumber. If interested inspect them.
