WANTS STATE TO ACQUIRE FORESTS

Representative Springer Introduces Bill

A bill to authorize the state to acquire certain non-argricultural and non-productive timber lands in Illinois as State Forests for the purpose of rendering such tracts productive either commercially or by designating portions as parks, fish and game sanctuaries, is proposed before the State Legislature by Representative Lewis B. Springer of Wilmette.

Surveys conducted by the State Natural History Survey division show that there are 200,000 acres of timber land in Illinois not connected with farms. There are extensive timber tracts in the southern portion of the state that are non-argricultural and in poor condition brought about by the fact that the best trees are cut and the poorest left standing when the opposite course should have been taken.

The beginning of such a procedure, Mr. Springer explains, would be gradual, but it would be the aim to build up tracts of suitable size for efficient and practical administration. The tracts would be placed under the care of expert foresters and improved by planting, thinning and improvement cutting.

Would Cut Frieght Bills

Ten percent of the lumber in the United States passes through Chicago and a large portion of that percentage in used in Illinois, it is pointed out. Freight bills on this lumber represents the expenditure of millions of dollars each year.

It is folly to pay such bills when, to a large extent, the lumber can be produced at home or in neighboring states, Mr. Springer emphasizes.

New York, Pennsylvania, Ohio, Michigan, Minnesota and many other states have adopted, or are contemplating adoption, of the policy indicated in the proposed bill. In no instance where such legislation has been enacted, has there been shown any tendency to withdraw from the plan.

The forest lands acquired would be under direct supervision of the State Department of Agriculture which has the authority to develop forest lands. Portions of the tracts of especial scenic or historic importance could be designated as park lands. Other portions would be maintained as fish and game sanctuaries.

The bill, as introduced by Representative Springer, carries an appropriation of $200,000, a sum sufficient to start the contemplated policy.

The bill is strongly supported by the Illinois Forestry Association and by many other important organizations. Public sentiment also favors the measure, Mr. Springer declares.

Dance, Baseball Hold Interest for "Caseys"

The South Shore Country club orchestra will provide the music for the Ouilmette council Knights of Columbus dance to be given Saturday evening, May 5, at the Kenilworth Assembly hall.

R. J. Wardle, manager of the orchestra, will be the director, and the council anticipates a record attendance.

Baseball practice for the council team has been started and a preliminary game is booked for Sunday afternoon, April 29, on the lot at Ridge and Lake avenues. Ed Braun is captain of the Ouilmette council nine which is entered in the Intercity league.

New Trier Wins First Place in Debate Ranks

The trophy room at New Trier will have to be enlarged soon if there is another year of continuous victories such as there has been so far this year. The debate squad, with the basketball team and Music Memory team, has won new laurels for the school in the Suburban league.

The two debate teams won their four debates this year and three of the four last year.

Other schools in the league were Deerfield, Waukegan, Morton, and La Grange. Debating now has a permanent place among the other activties of the school.

That Village Hall Is Still On the Market

There have been opportunities to dispose of that Gross Point Village hall, on the auction block 10, these many months.

But the prospective purchasers always wanted to establish the structure right in Gross Point and conduct some industry or other not in strict conformity with that Village's idea of what is desirable.

So, again we have the information that the Gross Point powers are advertising for bids for the sale of the Village Hall. Try again, gentlemen!

TOWNSHIP SUPERVISOR'S ANNUAL REPORT

STATE OF ILLINOIS }
COUNTY OF COOK } SS.
TOWN OF NEW TRIER }

OFFICE OF TOWN SUPERVISOR

The following is a statement by Gertrude M. Thurston, Supervisor of the Town of New Trier, in the County and State aforesaid, of the amount of public funds received and expended by her during the fiscal year just closed, ending on the 27th day of March, A. D. 1923, showing the amount of public funds on hand at the commencement of said fiscal year, the amount of public funds received and from what sources received, the amount of public funds expended and for what purposes expended, during said fiscal year, ending as aforesaid.

The said Gertrude M. Thurston, being duly sworn, doth depose and say, that the following statement by her subscribed is a correct statement of the amount of public funds on hand at the commencement of the fiscal year above stated, the amount of public funds received, and the sources from which received, and the amount expended, and purposes for which expended as set forth in said statement.

GERTRUDE M. THURSTON.

Subscribed and sworn to before me, this 31st day of March A. D. 1923.

DANIEL MICKEY,
Justice of the Peace.
