*Make Richardson's Garage
your automobile headquar-
ters this season.*

A garage you can depend on in every respect. You can feel certain that when you leave your car in our care, it will be safe. No matter what the nature of the work is, if we agree to do it, it will be done right. Our quarters are large, allowing you ample room to manipulate your car. There is plenty of light to see, and above all, we keep the premises clean. We maintain a competent staff of experienced men to render you intelligent service.
