

DRAMA 'TRUTH' WINS APPROVAL

Critic Praises Cast Appearing at Woman's Club

By S. S. O.

A delightful evening's entertainment was afforded those who attended the production of Clyde Fitch's comedy "The Truth" given at the Winnetka Woman's club on the evening of April 27.

Generally speaking, the acting as well as the staging, was of a high order. Mrs. Preston Boyden, as Becky Warder, rendered a brilliant interpretation of the part, holding the interest of the audience throughout the play though occasionally neglecting a touch of subtlety which might well have been used to good effect. Mr. Coffin showed very good stage presence and a well-rounded conception of the character in hand. In many instances, the voices of the actors could have been improved. Mrs. Albert Potter, though playing a small role, deserves more importance in the future. Her stage presence and voice were highly commendable. A creditable piece of work was likewise rendered by Mrs. E. Ashley Gerhard and Mrs. Charles Eastman, the latter's conception of Roland forming an excellent counterfoil for the unblushing Mrs. Crespigny, so well handled by Mrs. Gerhard.

A lack of familiarity by certain actors, with practical points of the stage set in the last act, might have been avoided by more rehearsing. Credit should also be given Mr. Von Ammon and Miss Grover for the masterly design and simplicity of the setting in the first act and likewise, though in a different fashion, Mrs. Frederick Dickson, the coach and director of the production, deserves much commendation for her share of the final result.

Mr. and Mrs. George Routh of Hubbard Woods have moved into an apartment at 923 Michigan avenue, Evanston.

START WORK ON NEW SUNSET RIDGE LINKS

Actual work on the new Sunset Ridge Country club golf course located west of Winnetka at the Kotz and Waukegan roads, is to begin Monday, May 7, according to information received this week from officials of the club.

The new course comprises 135 acres of attractive, rolling ground with about 25 acres of trees. Prominent golf architects consulted concerning the proposed course were strong in their praise, declaring it to be one of the finest golfing sites in the Middle West.

A contract has been made by the club with William Diddle, golf architect of Indianapolis, Ind., who has completed the preliminary surveys and is prepared to proceed with actual work on the course next Monday. The course, Mr. Diddle has announced, should be playable by Decoration Day, 1924.

The club is to proceed without delay with the construction of what it is thought will be one of the finest country club houses in this vicinity. The house will contain first class showers and lockers for the members, kitchen and dining room facilities and a large room for general entertainment features. The structure is to be erected this summer, according to plans, and is expected to be opened in the fall.

P. W. Bradstreet of Winnetka is chairman of the membership committee which, to date has approved a large number of applications. The membership is taken largely from Winnetka, Glencoe and Evanston.
