Cigaret Stub Starts Serious Brush Fire

Five calls, two for rubbish fires, were answered by the Winnetka fire department last week. Last Saturday the careless throwing away of a discarded cigaret stub started a brush fire which for a time endangered the home of John B. Guthrie, 730 Walden road. The blaze was quickly extinguished by the department.

A leak in a gas heater caused an alarm to be turned in from the home of Frank H. Young, 519 Sunset road.
