

PHOTODRAMAS

At Neighboring Theatres

Hoyburn Theater

Marshall Neilan's greatest production, "The Stranger's Banquet," will inaugurate next week's activities at the Hoyburn theatre. The picture will show on Monday, Tuesday and Wednesday, May 14, 15 and 16. In the cast are such film notables as Claire Windsor, Eleanor Boardman, Hobart Bosworth, Thomas Molding, Nigel Barrie, Ford Sterling, Claude Gillingwater and Stuart Holmes.

The last half of the Hoyburn week "Daddy," with—who hasn't heard?—will be taken up with the showing of the youthful Jackie Coogan in the big role. Jackie has been classified by the "Theatre Magazine" as among the immortals of all time. While that may be shooting a bit high, there is little question but that he ranks with the first in the hearts of movie fans, and that seems to be sufficient in this day and age. "Daddy" will show on Thursday, Friday and Saturday, May 17, 18 and 19.

The Hoyburn management announces the early showing of "Within the Law," Norma Talmadge's latest release.

The newly renovated Hoyburn has lent that theatre the name of the coziest movie house on the north shore. The playhouse at once suggests dignity and refinement, and that's enough.

The New Evanston

Jack Pickford and Mabel Norman are the stars to grace the New Evanston screen.

Mary's "Little brother" is starred with Madge Bellamy this week-end in "Garrison's Finish." The film is the first of a new series in which Jack Pickford is to be starred, and is a thrilling story of the great Kentucky Derby.

Monday, Tuesday and Wednesday of next week Mabel Norman will be seen in her very latest success, "Susanna." Miss Norman needs no introduction to the motion picture public. Her meteoric rise from a Sennett beauty squad into stardom in such pictures as "Mickey" and "Molly O" was one of the sensations of filmdom. "Susanna" is declared to be Miss Norman's greatest triumph and is attracting great audiences in its early showings.

Howard Theater

Theodore Roberts will entertain Howard theatre audiences to lunch next week's program at the playhouse. "Grumpy," his latest success, is the vehicle and it is marked down as one of the banner pictures of the season. "Grumpy" will show on Sunday, Monday and Tuesday, May 13, 14 and 15.

The attraction at the Howard for Wednesday and Thursday, May 16 and 17, will be Jack Holt in "The Tiger's Claw."

Mae Murray comes to the Howard for the Friday and Saturday programs in her incomparable "Jazzmania." Also, there will be the tenth round of the "Leather Pushers," starring Reginald Denny.

Sunday, May 20, will again feature Reginald Denny, this time in the "Abysmal Brute." An added attrac-

tion will be the comedy "Rent Day." Forthcoming attractions at the Howard include "Bella Donna," starring the great emotional star "Pola Negri;" and the film version of the great stage success, "Within the Law," in which Norma Talmadge has the leading role.

Adelphi Theater

Harold Lloyd and Will Rogers are billed to entertain Adelphi patrons Monday, Tuesday and Wednesday of next week. Lloyd appears in his famous "Dr. Jack," film, and Rogers' vehicle is "Fruits of Fate."

Charles Burt Jones will crowd the Adelphi silver sheet on Thursday, May 17, in the photodramatic interpretation of "Snowdrift." "The Past" will be another feature of the program.

The immortal Jackie Coogan will tug at the heart strings of Adelphi folks next Friday and Saturday. The picture is "Daddy," the tiny star's latest overwhelming triumph.

On Sunday, May 20, Katherine McDonald will be seen at the Adelphi in "A Lonely Road." There will also be Round 10 of the "Leather Pushers."

Tom Forman has returned from Albuquerque with his company comprising the cast, "The Broken Wing." This week he will direct the principal episode in the story, the aeroplane crash, which will be staged with the greatest possible realism. The hapless aviator will be played by Kenneth Harlan. Others in the cast are Miriam Cooper, Walter Long, Richard Tucker and Miss Dupont.

According to word from the Schulberg Studios, the number of replies received in response to B. F. Schulberg's offer of \$10,000 a word for acceptable motion picture titles already totals 19,702. This number is exclusive of the many letters that have been sent to the New York office.

Marie Prevost will in all probability be starred in "Broadway After Dark," to be made by the Warner Brothers.

Vola Vale has been added to the cast of "Daughters of the Rich," Edgar Saltus' play which is nearing completion. The other featured players are Gaston Glass, Miriam Cooper, Ruth Clifford, Ethel Shannon, Josef Swickard, Stuart Holmes and J. Gunnis Davis.

Hope Hampton has been engaged to play the leading role in the screen version of "The Gold Diggers" which will be directed by Harry Beaumont. Miss Hampton is expected to leave early next month for Los Angeles following the completion of her role in "Lawful Larceny."

"Footage" is a term applied to the length of pictures. "Mileage" probably would be more accurate. For instance, in the photographing of "Slippy McGee," more than sixteen miles of film ran through the cameras. In its finished cutting the feature is only a little more than a mile long.

Wedding Silver from Graves'

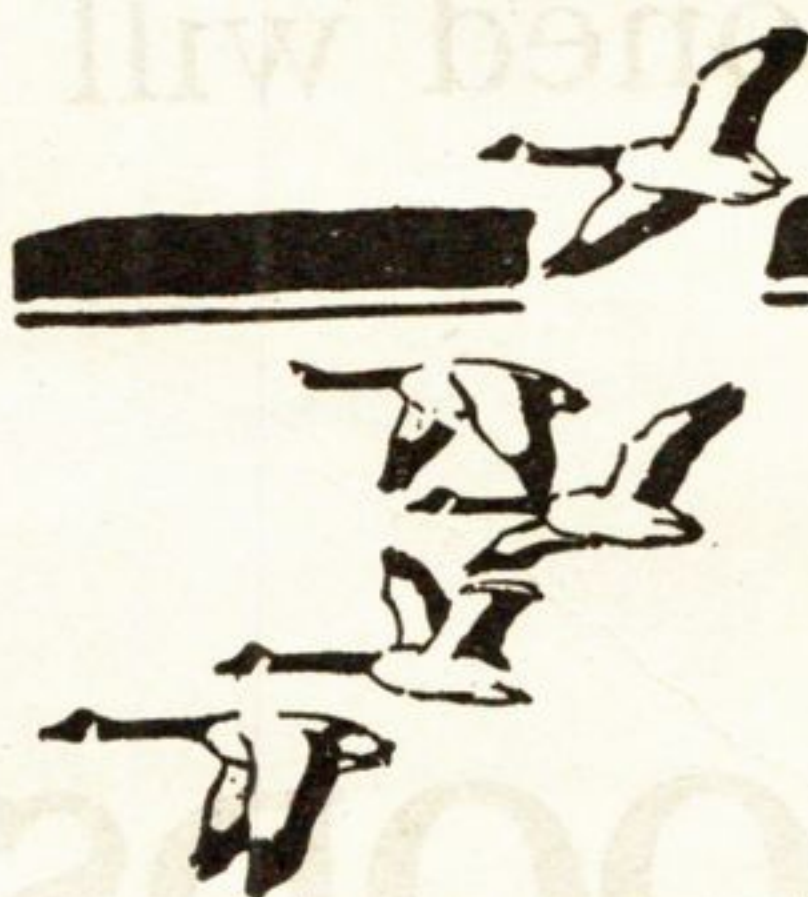

The Colfax Pattern

Sterling Silver Colonial Finish

The new "Colfax" pattern of table silver is simple of outline, with Colonial mouldings on both back and front, and is enriched with fine pearl and bead border and very delicate husks in the front panel.

The Colonial purity of this design will be as enduring as the sterling silver of which it is made.

Does Fatigue Spoil Your Fun?

WHAT a pity that feet should be a handicap to pleasure—or to efficiency!

They are frequently the direct cause of that worn-out feeling which might have been avoided.

The snugly fitting arch of Cantilever Shoes gives just the right support, flexes with every step and allows the arch muscles to exercise and keep strong. The Cantilever Shoe fits properly, hugging the under curve of the foot and giving that trim, smooth-fitting appearance which always marks a well-shod foot.

The natural sole line gives ample room to the toes. The heels are made right and set right—so that they throw the weight of the body on the outer and stronger side of the foot.

These features combine to eliminate foot fatigue and to minimize bodily fatigue. Cantilevers are light weight and good looking, and help to make you happy.
