

When more than a hundred

business men form an organization people are bound to ask them why they have organized?

“WHAT ARE YOU GOING TO DO?”

Here's our answer in the exact words of our constitution.

SECTION 1. The Winnetka Chamber of Commerce of Winnetka, Illinois, is organized for the purpose of the advancement of the commercial, industrial and civic interests of the community, to promote integrity and good faith, just and equitable principles in business, uniformity in community usages, and to acquire, preserve and distribute industrial, commercial and civic statistics and information of value; to discover and correct abuses; to prevent or adjust controversies; to have a part as representing our city in the consideration and decision of community, county, state and national policies which may in any wise effect or promote the progress, development and well being of our citizens.
