Give them Plenty of Meadow Gold

It's good for the children. Spread it on thick—it makes red blood, brawn and brain. It is the most healthful of foods and keeps their bodies strong and minds alert.

Buy the best—Meadow Gold butter. Made only from the richest pasteurized cream, churned fresh every day, triple wrapped and sealed at the creamery to protect its goodness and delicate flavor.

If your dealer does not handle Meadow Gold. Write us. We will see that you are supplied.
