Emphasize Play Among the Junior Members

With the idea in mind of getting the tennis players at the Skokie Country club together in friendly competition and to provide a means of organizing Skokie tennis teams, the Tennis committee of the club has erected a Ranking board at the entrance to the courts. There are six columns with headings as follows: Men's, Junior, Boys, Ladies, Junior Girls. Forty players will be placed in each column and it will be the aim of the competitors to get at the head of their respective columns.

**Junior Championship On**  
The Chicago Junior Tennis championships, fostered by the Chicago Daily News, are now being played throughout Chicago and vicinity. The North division including Evanston and the north shore towns, plays on the Skokie courts.

A special effort is to be made this season at Skokie to interest and encourage junior players and develop and improve their game. John M. Hancock has charge of this department. In addition to the Ranking board competitions, inter-club matches with different country clubs and high schools along the north shore are to be staged.

**Gets State Tournament**  
Skokie Country club has again secured the Illinois State Tennis Championship matches for 1923 to be played July 2, 3, 4, 5, 6, 7 and 8. Word has been received to the effect that William T. Tilden II, world's greatest lawn tennis player and Manuel Alonzo, captain of the 1922 Spanish Davis Cup team will appear for the tournament. It is also probable that R. Norris Williams, former National champion will be seen on the local courts. Other prominent players will be John Hennessey and Walter Westbrook.

The club also announces the entry of Miss Helen Wills, 16 year old Pacific Coast champion for women, considered the greatest potential woman tennis player in America.

Beginning June 16, William E. Hinchcliff, tennis coach and professional will be at Skokie to direct tennis activities and give lessons.

**Play League Matches**  
Exhibition matches, with well known national and international stars on the courts, are promised Skokie fans during July and August. During those months also, will be staged the inter-club matches of the North Shore Lawn Tennis league. The league members are Onwentsia, Exmoor, Skokie, Indian Hill, Winnetka Tennis, Ouilmette and Saddle and Cycle clubs.

The Skokie Country club Tennis committee comprises: Maurice S. Miller, chairman, Col. Horatio B. Hackett, Sherman M. Booth, James S. Pole, Leland K. Neeves, Burt C. Hardenbrook, John M. Hancock, George H. Butler, Harry C. Halloway, Harry R. Kimbark, Burton T. Duncan.

The Streets and Alleys committee of the Wilmette Village board was authorized by the board Tuesday, of this week, to meet with a similar committee from the Village of Kenilworth to discuss plans for discouraging heavy truck traffic on residence streets in the villages.

Kenilworth authorities have made the request that Chestnut avenue be converted into a boulevard so that trucks will be prevented from entering Kenilworth residence street from that thoroughfare.

## NEW POLICE FLIVVER

The Wilmette Police department Tuesday was authorized by the Village board to purchase a new Ford car to be added to the equipment of the department. The authorities also stipulated that the new car be given a coat of policeman's blue paint and the police insignia stamped on the doors.

## Good News to Mothers! A Summer Kindergarten

Hot weather mornings present many difficulties and problems to the mothers of children of kindergarten age. For this reason there doubtless are many who will welcome the news that a summer kindergarten will be conducted in Wilmette by Miss Rose Millen and Miss Isabelle Pope, both trained "kindergartners."

Special attention will be given to the choice of daily program, so that work and play may be properly combined and the children receive practical instruction as well as entertainment.

The kindergarten, which will be held five mornings a week at Miss Pope's home, 910 Lake avenue, will open Monday, June 18.
