

EUROPEAN TOUR FOR 'JIMMY PAT'

Parents of Wilmette Youth
Add to honors Heaped Upon
Him at Northwestern

WINS HIGHEST MEDAL

Also Voted Most Popular In
His Class

As commencement ceremonies at Northwestern university get into progress the name of James Jamieson Paterson comes before the public eye more prominently than any other on the campus, with the possible exception of the president of the university himself.

News reports have it that Paterson, president of the senior class, who is a well known resident of Wilmette, has been awarded the intercollegiate conference athletic association medal for greatest proficiency in athletics and scholastic work during his college course.

Has Enviably Record

"As leader among the graduating students of Northwestern university, Paterson, who lives at 925 Chestnut avenue, Wilmette, Illinois, has built up an enviable record for his all-around work, both in the class-room and on the field," reads an announcement. "He earned his letter for three consecutive years, was captain of the football team last year, played three years on the basketball team, was a member of the Student Council, of Deru, honorary senior society and of the Students' Publication board."

At the last senior chapel Friday, June 1, "Jimmy" Paterson was voted the most popular member of his class. "There was no opposition to Paterson as the most popular senior," states a report of the ceremonies at which he, as president, presided.

Finally, a unique but greatly prized graduation gift from parents to son is that about to be received by Paterson. The gift is a trip through Europe covering the principal countries and cities and closing with a sojourn with relatives in Scotland. Mr. Paterson expects to return to his home in Wilmette early in September when he will get ready to enter the business world. He is to be accompanied by his brother.

Hold Annual Health Meet At Santa Barbara, Cal.

The annual conference of the National Tuberculosis association will be held at Santa Barbara, California, during the latter part of June. The Chicago Tuberculosis Institute will be represented by Mrs. Theodore B. Sachs, superintendent of the Institute, Miss Frances A. Cook, health crusade director, Dr. Ethan Allen Gray, a member of the Board of Directors and superintendent of the Chicago Fresh Air hospital. Mrs. Gray will also be of the party.

A number of other delegates to this conference will soon be passing through Chicago on their way west and will be entertained at a dinner by the Board of Directors of the Institute. They will leave about a week early for the conference in order to include a pleasure trip with sight seeing along the way.

A contribution to the program of the National conference will be a paper by Mrs. Sachs on Tuberculosis among Nurses.

Miss Cook will leave Chicago June 7, for Santa Barbara, where she will train a group of school children to give her health play "Seven Keys." This performance will be included in the program of the conference. The play has been very successfully given 18 times at various points in Cook county and is considered one of the best works of its kind.

The modern idea in health education is to interest the children through dramatics and other ways of combining instruction with entertainment.

Church Enjoys Sermon By J. W. F. Davies

Dr. J. W. F. Davies, associate pastor of the Winnetka Congregational church, occupied the pulpit of the church last Sunday in the absence of the pastor, Dr. James A. Richards. His sermon subject was, "A Religion for Today."

Dr. Richards is recovering from an operation for tonsillitis.

13 NEW TEACHERS HERE NEXT TERM

(Continued from Page 1)

Oak Park. Miss Porter is a graduate of the DeKalb Normal school and has also taken work at the University of Chicago. She has had 13 years of teaching experience in schools of Illinois and Montana. One of the fourth grades will be under the supervision of Miss Harriet Santee, a graduate of the Iowa State Teachers college. In addition to her work in Iowa Miss Santee has taken courses in Northwestern University. She has had two years' experience in Cedar Falls, Iowa. She is a musician as well as a teacher.

Fourth grade at the Skokie school will be taught by Miss Florence Teachout-Royce of Warsaw, Indiana. Miss Teachout-Royce was graduated from the Winona State Normal School and has had other work at Depau university and at the University of Chicago. She has had 15 years' experience. Miss Margaret Batten, Winchester, Virginia, has been employed to teach sixth grade at Skokie. She is a graduate of the Farmville Normal school and has had seven years' experience. She comes to Winnetka on the recommendation of Mr. Clerk, principal of the New Trier high school.

N. U. Honor Student

An unusual addition to the English department was made this spring when Mrs. Howard Van Sinderen Tracy was employed for next year. Mrs. Tracy made a national reputation by graduating from Northwestern university in two and a half years with the highest honors, while she was keeping house and caring for her baby. At a later date she returned to Northwestern and received her masters' degree. Mrs. Tracy has had considerable experience in settlement and social service work and has a broad background of training. During this year she has been doing volunteer teaching in the Skokie school.

Mrs. Alice Larkin, Fairhope, Alabama, will teach science next year. She is a graduate of Northwestern university and has had work at other universities. Miss Larkin has had a wealth of experience.

New Shop Work Head

Owing to the fact that Charles Kinney has accepted a position with the Francis Parker school in the city, W. T. Carter has been secured to direct the shop work. Mr. Carter has had seven years at the University of Wisconsin and has taught in vocational schools, high schools and universities. He has had practical experience in cabinet making, picture framing, tin smithing, and in all other forms of shop work. Mr. Carter has also been engaged in camp work and has taught seamanship at the Great Lakes Naval training station.

Upper grade music will be taught by Miss Katherine Ramsey, who will also teach some of the English classes at Skokie. She is a graduate of the Oberlin Conservatory and of Oberlin college. Besides having a very thorough training in all branches of music, she has had two years of practical experience. Miss Lois Towne has been employed by the school board to assist in the art department. She is a graduate of the University of Minnesota and has had special training in art. She comes to Winnetka with one year's practice teaching in the Minneapolis schools. Strong recommendations of her work caused her to be elected in spite of the fact that Winnetka schools do not usually take teachers with so little experience.

Directs Social Studies

Social studies will be under the supervision of Miss Marie Gulbrensen who has been associated with Prof. Harold Rugg of the Lincoln school of Teachers College university. She

comes highly recommended by him. Miss Gulbrensen is the author of the pamphlets on the subject that are being used in the Skokie school at the present time. She will do regular teaching part of the time as well as research work for Prof. Rugg.

Miss Elizabeth Kirchner has been employed to teach and direct the work in physical education at the Horace Mann school. She is a graduate of the Westfield (Mass.) Normal school and of the New Haven Normal School of Gymnastics. She has taken summer work at Harvard university under Harry Clark of Winnetka. Miss Kirchner has had three years of experience in Massachusetts and Connecticut and has had four summers of playground teaching in Massachusetts.
